Decolonising Teacher Education Home-School Relations The Routledge Companion to Applied Musicology Parlo Singh Yan Guo Chris Dromey  
Decolonising Teacher Education Home-School Relations The Routledge Companion to Applied Musicology *Parlo Singh Yan Guo Chris Dromey*

this book makes a deliberate attempt to explore the complexity of decolonising theories in teacher education it draws attention to the historical and emerging impacts of colonialism on educational institutions and practices challenging educators to expand their understanding of diverse trajectories of decolonial research both theoretically and practically it adds to the discussions and dialogues between different disciplinary traditions such as postcolonial and decolonial studies as well as critical indigenous and critical race studies as an international compilation it offers educators a unique opportunity to envision teacher education through alternative lenses rethinking the relationship between ontology epistemology ethics that is what constitutes knowledge how it is produced and what material worlds are constructed in and through knowledge research systems through compelling examples this book illustrates how educators have navigated epistemic injustices within the field of teacher education amidst the rising global demands for standardisation it encourages teacher educators to explore alternative theories within their own contexts crafting new teacher education practices in universities and schools

this book examines new directions in home school relations from an international perspective unlike other current literature that concentrates on traditional models of family school partnerships in western countries it focuses on the contributions of immigrant and minority parents especially those in asia and south america this book brings together international scholars who explore home school relations in australia
