written from a critical theory de colonizing and transformative lens re search
 methods in social work linking ways of knowing to knowledge creation brings
 together in one space an introduction to four worldviews that inform what we call
 knowledge gathering knowledge construction knowledge co creation or re search
 depending on the worldview this text presents a broad range of methods that are
 commonly used to inform social work practice across turtle island kanata canada
 including the steps from inception to knowledge mobilization that are typically
 followed to acquire knowledge across indigenous post positivist interpretivist and
 transformative worldviews this engaging text features reader friendly language
 integrated authorship that spans the four worldviews discussions of various

challenges strengths and limitations in bringing together multiple ways of knowing and associated methods chapter learning outcomes and discussion questions with a focus on anti oppressive practice social justice social action collaboration and inclusion re search methods in social work is essential for college and university social work courses and for social work practitioner researchers across turtle island kanata canada who are interested in opening their mind to a more wholistic and respectful way of engaging in dialogue about and advancing knowledge that leads to social change

a singularly thrillingly persuasive chronicle of globalization s spectacular rise and fall even osnos national book award winning author of age of ambition the triumphant globalization that began in the 1990s has given way to a world riven by conflict populism and economic nationalism in the world s worst bet david j lynch offers a trenchant fast paced narrative of the rise and fall of the greatest engine of prosperity the world has ever known lynch explains what went right what went wrong and what needs to change to preserve the benefits of global integration and to build prosperity for all americans lynch brings a deep understanding of the forces affecting americans lives to his portrayal of a fascinating cast of characters presidents and policymakers factory workers whose anger over lost jobs reshaped a nation s politics and the anti globalization warriors of the right and left their stories show how the united states made a bad bet on globalization gambling that it could enjoy its benefits while ignoring its costs dislocated workers vulnerable supply chains and the rise of a powerful rival with trillions of dollars now at stake the world s worst bet explains the failings of the past and offers an insightful guide to the opportunities of the future

with currently evolving dementia policy how can we ensure that living well with dementia continues to be a primary aim for future national dementia strategies this book looks at current policy and research to determine emerging challenges and what they mean for practice both nationally and within a global context

the borgia family rumor and representation explores the historical and cultural structures that underpin the early modern borgia family their notoriety and persistence and reinvention in the popular imagination the book balances studies focusing on early modern observations of the borgias and studies deconstructing later incarnations on the stage on the page on the street and on the screen it reveals how contemporary observers later authors and artists and generations of historians reinforced and perpetuated both rumor and reputation ultimately contributing to the borgia black legend and its representations focused on the deeds and posthumous reputations of pope alexander vi and his children cesare and lucrezia borgia the volume charts the choices made by the family and contextualizes them amid contemporary expectations and reactions extending beyond their deaths it also investigates how the borgias became emblems of anti catholic and anti spanish criticism in the later early modern period and their residing

reputation as the best and worst of the renaissance exploring a spectrum of traditional and modern media the borgia family contextualizes both borgia deeds and their modern representations to analyze the family's continuing history and meaning in the twenty first century it will be of great interest to researchers and students working on interdisciplinary aspects of the renaissance and early modern italy

for years pundits have trumpeted the earthshattering changes that big data and smart networks will soon bring to our cities but what if cities have long been built for intelligence maybe for millennia in code and clay data and dirt shannon mattern advances the provocative argument that our urban spaces have been smart and mediated for thousands of years offering powerful new ways of thinking about our cities code and clay data and dirt goes far beyond the standard historical concepts of origins development revolutions and the accomplishments of an elite few mattern shows that in their architecture laws street layouts and civic knowledge and through technologies including the telephone telegraph radio printing writing and even the human voice cities have long negotiated a rich exchange between analog and digital code and clay data and dirt ether and ore mattern's vivid prose takes readers through a historically and geographically broad range of stories scenes and locations synthesizing a new narrative for our urban spaces taking media archaeology to the city's streets code and clay data and dirt reveals new ways to write our urban media and cultural histories

urbanization and the urban scenario in india

this is the first comprehensive practical handbook on the topic of environmental social governance esg and its impact on the real estate industry the sustainability megatrend is still in its early stages in the real estate sector and there is a lack of standards practical examples and data the development is very dynamic and sometimes confusing and new complex requirements and regulations are constantly being added the authors an expert team of economists lawyers investors asset managers and engineers provide an overview of national and european regulatory requirements as well as current market developments they show what role esg plays not only in the areas of new construction renovation and real estate management but also in investment processes and real estate valuations contents esg and the real estate market esg and regulatory environment esg and real estate management esg in urban and project development

by analysing the irish development strategy this book questions its much portrayed success the republic of ireland has followed an export oriented development path relying on foreign direct investment inflows as the main development agent however this chosen path of development has led to growing industrial social and developmental polarisations despite the indisputable impressive overall growth figures growth is primarily driven by the investing multinationals and the inequality of earnings have been exacerbated thus questioning the irish growth model s success
