how can you be sure that you're teaching your children the lessons of virtue that were passed on to you today? parents often feel that they have too little time in their busy schedules to handle such an important task. they're not even sure where to begin. in 20 teachable virtues, authors barbara c. unell and jerry l. wyckoff demonstrate the simple ways that you can teach your children to care about others and about themselves by using everyday time together. however brief you can pass on the lessons of virtue that are most important to your family today and for

generations to come at a time when values seem to be on the decline and children are looking to their parents for guidance this new book argues that the building of a more moral society begins in the home through numerous anecdotes and examples unell and wyckoff show parents how a select group of 20 virtues can be instilled and warn how easily kids can be sent the wrong message to learn to live in society write the authors all children must learn to balance their personal wants against the needs of the social group family neighborhood school society today we see far too few examples of this kind of balance as people put their own wants and needs above all othersall of the time through the use of numerous anecdotes which illustrate each virtue 20 teachable virtues shows how common occurrences can become teachable moments

drawing upon core morality ideas from many of the world s religions this important work identifies a universal plea to be good
