The automotive maven and former member of parliament might be the most trusted man in Canada. An inverse relationship to the people he writes about, the *Globe and Mail* *Lemon Aid* shows car and truck buyers how to pick the cheapest and most reliable vehicles from the past 30 years of auto production. This brand-new edition of the bestselling guide contains updated information on secret service bulletins that can save you money. Phil describes sales and service scams, lists which vehicles are factory goofs, and sets out the prices you should pay. As Canada's automotive Dr. Phil for over 40 years, Edmonston pulls no punches. His *Lemon Aid* is more potent and provocative than ever.

This is one of the best texts I have seen in a while. It makes the world of criminology less daunting and more relevant. Allyson S. Maida, St. John's University. *Introduction to Criminology*, Tenth Edition, is a comprehensive introduction to the study of criminology, focusing on the vital core areas of the field: theory, method, and criminal behavior, with more attention to crime typologies than most introductory texts. Hagan and Daigle investigate all forms of criminal activity, such as organized crime, white-collar crime, political crime, and environmental crime. The methods of operation, the effects on society, and policy decisions, and the connection between theory and criminal behavior are all explained in a clear, accessible manner. A complete teaching/learning package.
