contains general information for technicians on the specifications mil resetting and dtc retrieval accessory drive belts timing belts brakes oxygen sensors electric cooling fans and heater cores of twenty one types of import cars

meet nick stone the highlight of nick s day had always been smoking jane drinking beer and causing trouble usually all at the same time but that all changed when dad woke up with a dead stripper in his bed this story promises to offend you insult you and entertain you all at the same time in odd jobs the author holds blatant contempt for literary merit and the result comes off a little like fear loathing in las vegas warning this short novel is not recommended for

those who can't take a joke in this novel you will find references to guns drugs felony crimes and a dead stripper named Sally you will also find stereotypes toward minorities and urban youth in general you will also find the works of an author who doesn't give a rat's ass about literary value and who uses odd jobs his very first novel to mock the literary community so in short if Odd Jobs doesn't offend you in the first ten pages then you're probably just as morbid and twisted as the author
