this book takes into account all the twists and turns the contradictions and the currents and countercurrent in international politics and  
recommends that indian foreign policy should be sensitive to the duality indeed the triplity of the developing international scenario

who was shah bano and why was her alimony pertinent to india s secularism does the fundamental right to life include the right to livelihood and shelter where there is the right to live is there also the right to die how did bhanwari devi s rape help define sexual harrassment at the workplace here are the supreme court s ten pivotal judgements that have transformed indian democracy and redefined our daily lives exploring vital themes such as custodial deaths reservations and environmental jurisprudence this book contextualizes the judgements explains key concepts and maps their impacts written by one of india s most respected lawyers ten judgements that changed india is an authoritative yet accessible read for anyone keen to understand india s legal system and the foundations of our democracy

the chanakya diaries is india s premier magazine on defence national security and geopolitics with the third edition featuring contributions from some of the finest minds and subject matter experts this magazine is an essential read for anyone keen on understanding the intricate dynamics of global politics defence and security issues designed for readers who crave in depth analyses and expert opinions this magazine brings to light the most pressing global issues offering fresh insights and perspectives with contributions from esteemed scholars analysts and policymakers each edition delves into the geopolitical economic and military challenges shaping our world today if you are preparing for competitive exams or are simply a defence national security and geopolitics aficionado the chanakya diaries is perfect for you

india s near east encompasses bangladesh myanmar and the indian states of the northeast arunachal pradesh sikkim assam nagaland manipur meghalaya tripura and mizoram celebrated as a theatre of geo economic connectivity typified by india s act east policy the region is key not only to india s great power rivalry with china which first boiled over in the 1962 war but to the idea s of india itself it is also one of the most intricately partitioned lands anywhere on earth rent by communal and class violence the region has birthed extreme forms of religious and ethnic nationalisms and communist movements the indian state s survival instinct and pursuit of regional

hegemony have only accentuated such extremes this book scripts a new history of india s eastward looking diplomacy and statecraft narrated against the backdrop of separatist resistance within india s own northeastern states as well as rivalry with beijing and islamabad in yangon and dhaka it offers a simple but compelling argument the aspirations of act east mask an uncomfortable truth india privileges political stability over economic opportunity in this region in his chronicle of a state s struggle to overcome war displacement and interventionism avinash paliwal lays bare the limits of independent india s influence in its near east

an increasing proportion of the world s poor is dependent on ngos for the support the state cannot or will not provide but little has been written to analyze or guide best management practice which is so critical to their success managing for change addresses the key operational issues facing ngo managers drawing lessons from the reality of southern ngos it explores areas such as the formation of strategy effective ngo leadership the handling of donor relations staff motivation and development and the management styles most appropriate to crises and change

the book presents here a comprehensive overview of the changes that have taken place in the past few years and explains the opportunities they have opened up for future progress while also flagging the pitfalls which both countries the state and interested third parties must avoid if south asia is to be freed of the one of the heaviest burdens that lie upon it

to an overview of india s place in the world and by doing so sheds light on indian foreign policy from independence to date it critiques political realism as a way of seeing the world especially in view of changing global context before and after the cold war issues taken up include kashmir the human rights issue and the impact of hindu nationalism the main focus of the tract is on the nuclear weapons issue
