when moses conversed with god at the burning bush he asked god who shall i say sent me god replied tell them i am sent me in our burning bush prayer time when we talk to god will we take time to listen to what he wants to say when we pray it is also important to listen to what god wants to say to us there s a saying we have two ears and one mouth we therefore should listen twice as much as we talk there is purpose in our being god has a plan for each of us prayer time

with god is a time for talking and listening how can we know what god wants us to do if we never take time to listen to what he has to say if we are about god s business we should try to find out the what and the why of his business there is only one way to the father through jesus christ and there is only one way we can discover what he wants and expects us to do and that is through prayer and scripture the scripture says this is the day that the lord has made let us rejoice and be glad in it there are twenty four hours in a day can we not spare him time in prayer jesus knew what his father wanted him to do because he kept in touch with his father in prayer god has called on us and left a message for us to call him see jeremiah 33 3 he s waiting to hear from us this is an invitation we can t live without

before god will anoint you or use you you must get to know the holy spirit you have a bond with and contact with the holy spirit he must take charge and control over your life his heart and your heart must work in harmony because if we seek only power we end up in finding out of season if we seek the lord god now begins to bless us and use us properly so when people seek the power of god they want to use it or use the lord who gives it but when they seek the lord they will say lord use me when god begins to reveal himself to us he will use us and make himself real in our lives you will see jesus real and alive you meet him in the spirit and he will make himself alive in your life so it is all about jesus it is all about knowing him through his blessed holy spirit who is a person when the anointing comes upon you your life will automatically change every negative will turn into a positive you will become bold and fearless there is no mountain you cannot melt

an hour for if you wish to have a seat you must be there at least that space of time in advance mr spurgeon ascended his tribune to the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours it is not my purpose to give a summary of his discourse it is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the calvinist nor the baptist appears in the forefront of the battle which is waged by mr spurgeon with relentless animosity and with gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity more than a hundred years after his death charles spurgeon s legacy continues to effectively inspire the church around the world for this reason delmarva publications has chosen to publish the complete works of charles spurgeon
