most recent research seeks to explain contemporary changes in russia by analysing the decisions of russian leaders oligarchs and politicians based in moscow this book examines another russia one of ordinary people changing their environment and taking opportunities to provoke societal changes in small towns and the countryside russia is a resource rich society and the country s strategy and institutional structure are built on the most valuable of these resources oil and gas analysing the implications of this situation at the local level this book offers chapters on resource use local authorities enterprises poverty and types of individual as well as a final chapter which places local societies within the framework of the russian politicised economy based on extensive empirical data gathered through more than 400 semi structured interviews with entrepreneurs teachers social workers and those working for the local authorities this book sheds light on the role of local activity in the development of russian society and is essential reading for students and scholars interested in russia and its politics

women s roles and agency in russian society before and during the war in ukraine tracks russian societal development and transformation as reflected in women s experiences views and agency this book explores women s roles in various sectors of russian society including the labor market in the 1990s entrepreneurship politics the social sector and their engagement in civil society the author employs interviews describing the experiences views and agency of russian women in leading positions in the social services ngos and elsewhere that serve to help vulnerable women their stories make visible how women s agency has changed in the face of growing authoritarianism in the region their work and position have become more perilous in the wake of the russia ukraine war and the increased attempts by authorities to cover up and silence social unrest

this book provides an overview of poverty and well being in russia increasing poverty

rates during the 1990s were followed by greater attention to social policies in the 2000s and increased efforts to engage people in socially oriented NGOs and encourage them to contribute to the fulfillment of social aims. What impact did these developments have on the prevalence of poverty in contemporary Russian society tracing continuities from the Soviet system alongside recent developments such as the falling price of oil economic sanctions and changes in directions of social policy this book explores the impact of poverty inequality and social programmes the author examines the agency of people living in poverty and those engaged in social policy using official statistics survey data and interviews from four Russian regions to explain the reasons and consequences of poverty and people's attempts to get out of it the approach is based on institutional theory complemented by Amartya Sen's capability approach highlighting the importance of agency and an institutional framework as a means for change a timely book that will be of interest to students of contemporary Russian politics as well as those engaged in social policy issues

One of the main ideas behind this book was to trace continuities from the Soviet time to post-Soviet Russia there are many similarities between Russia and Ukraine indicating such a continuation Russia and Ukraine had a lot in common in terms of culture language and history partly also because of their common origin after the dissolution of the Soviet Union however the two independent countries chose different routes of development this makes it possible to distinguish between the effects of political reforms on the one hand and the impacts from the Soviet system on the other after some more or less chaotic development paths in the 1990s showing clear differences between the two countries and before the contemporary conflict broke out in Eastern Ukraine 2013 they had once again more similarities in terms of political leadership and policies in general the chapters in this book focus on Ukraine and on two regions in Russia Nizhny Novgorod and Archangelsk contributors look at attitudes towards poverty and poor people strategies of the poor and policies against poverty this book was published as a special issue of the Journal of Contemporary Central and Eastern Europe
