in the midst of a disagreement many couples may ask themselves what are we really
fighting about as it turns out breakups and divorce don t happen because couples fight
they happen because of how couples fight in this much needed book judith and bob
wright two married counselors and coaches with over thirty years of experience helping
couples learn how to fight well present their tried and true methods for exploring the
emotions that underlie many relationship fights readers will learn how to use
disagreements as an opportunity to deepen their understanding of their partner bring
more intimacy to the relationship strengthen their bond and learn from the conflicts and
tensions that occur in all relationships

when accountant jenna stone unexpectedly becomes involved in an underground female
fight competition with an unlikely group of women including her therapist the women are
forced to come together to take down the fight promoter who has started to exploit and

abuse the fighters they do this by creating their own safe and professional female fighting organization sister of the fight the path to their first event is not an easy one and involves a kidnapping attempted murder and a new relationship that jenna will struggle to maintain as she works through her own propensity to act out and to let go of something that she calls mental burn

a look at race relations in theus during the first half of the 20th century through the first two african american heavyweight boxing champions jack johnson and joe louis using the black press of the time the author explores how their public careers and private lives define and explain national issues from the early 1900s to the late 1940s

challenging conventional views stretching the minds of civil war enthusiasts and scholars as only john michael priest can into the fight is both a scholarly and a new interpretation of the most famous charge in american history using a wide range of sources ranging from the monuments on the gettysburg battlefield to the accounts of the participants themselves priest here rewrites the conventional thinking about this unusually emotional yet serious moment in our civil war starting with a fresh point of view and with no axes to grind into the fight challenges all interested in that stunning moment in history to rethink their assumptions

official records produced by the armies of the united states and the confederacy and the executive branches of their respective governments concerning the military operations of the civil war and prisoners of war or prisoners of state also annual reports of military departments calls for troops correspondence between national and state governments correspondence between union and confederate officials the final volume includes a synopsis general index special index for various military divisions and background information on how these documents were collected and published accompanied by an atlas

in the late 1930s a number of american women especially those allied with various peace

and isolationist groups protested against the nation's entry into World War II while their story is fairly well known Margaret Paton Walsh reveals a far less familiar story of women who fervently felt that American intervention was absolutely necessary Paton Walsh recounts how the United States became involved in the war but does so through the eyes of American women who faced it as a necessary evil covering the period between 1935 and 1941 she examines how these women functioned as political actors even though they were excluded from positions of power through activism in women's organizations informal women's networks and even male dominated lobbying groups in the great debate over whether America should enter the war some women favored aid to the allies not because they hoped for war but because they hoped aid would forestall more direct US involvement but also because they believed war was preferable to a Nazi victory Paton Walsh shows that this activism involved some of the most prominent women of their day Elizabeth Cutter Morrow whose son in law Charles Lindbergh was an isolationist spokesman supported the revision of the neutrality acts to allow the sale of arms to the allies and expressed her support in a national radio broadcast soon other women joined this debate Esther Brunauer of the AAUW journalist Dorothy Thompson and organizations like the League of Women Voters and National Women's Trade Union League broke from the pacifist tradition to advocate American aid for the allied cause focusing on the conflict in Europe Paton Walsh shows how these women grasped the implications of the Lend Lease program for America's entry into the war but supported it nevertheless by late 1941 the women's division of the Fight for Freedom Committee had been established no longer merely advocating aid to Britain to keep American boys out of battle this organization supported direct American involvement in the war as a means of stopping Nazi oppression while most historians have focused on women's pacifism Paton Walsh connects women more directly to world events and shows how those interventionists reformulated maternalist ideas to justify and explain their beliefs Our War Too is a story of American women trying to reconcile the irreconcilable to preserve both their principles and their peace it expands our understanding of women as political actors and thinkers about foreign policy as it sheds new light on American public opinion over the build up to the war
