peculiar whiteness racial anxiety and poor whites in southern literature 1900 1965 argues for deeper consideration of the complexities surrounding the disparate treatment of poor whites throughout southern literature and attests to how broad such experiences have been while the history of prejudice against this group is not the same as the legacy of violence perpetrated against people of color in america individuals regarded as white trash have suffered a dehumanizing process in the writings of various white authors poor white characters are frequently maligned as grotesque and anxiety inducing especially when they are aligned in close proximity to blacks or to people with disabilities thus as a symbol much has been asked of poor whites and various iterations of the label e g white trash tenant farmers or even people with a little less money than average have been subject to a broad spectrum of judgment pity compassion fear and anxiety peculiar whiteness engages key issues in contemporary critical race studies whiteness studies and southern studies both literary and historical through discussions of authors including charles chesnutt thomas dixon sutton griggs erskine caldwell lillian smith william faulkner and flannery o connor we see how whites in a position of power work to maintain their status often by finding ways to recategorize and marginalize people who might not otherwise have seemed to fall under the auspices or boundaries of white trash

african american political thought offers an unprecedented philosophical history of thinkers from the african american community and african diaspora who have addressed the central issues of political life democracy race violence liberation solidarity and mass political action melvin i rogers and jack turner have brought together leading scholars to reflect on

individual intellectuals from the past four centuries developing their list with an expansive approach to political expression the collected essays consider such figures as martin delany ida b wells w e b du bois james baldwin toni morrison and audre lorde whose works are addressed by scholars such as farah jasmín griffin robert gooding williams michael dawson nick bromell neil roberts and lawrie balfour while african american political thought is inextricable from the historical movement of american political thought this volume stresses the individuality of black thinkers the transnational and diasporic consciousness and how individual speakers and writers draw on various traditions simultaneously to broaden our conception of african american political ideas this landmark volume gives us the opportunity to tap into the myriad and nuanced political theories central to black life in doing so african american political thought a collected history transforms how we understand the past and future of political thinking in the west

a pillar of african american literature richard wright is one of the most celebrated and controversial authors in american history his work championed intellectual freedom amid social and political chaos despite the popular and critical success of books such as *Uncle Tom's Children* 1938 *Black Boy* 1945 and *Native Son* 1941 wright faced staunch criticism and even censorship throughout his career for the graphic sexuality intense violence and communist themes in his work yet many political theorists have ignored his radical ideas in the politics of richard wright an interdisciplinary group of scholars embraces the controversies surrounding wright as a public intellectual and author several contributors explore how the writer mixed fact and fiction to capture the empirical and emotional reality of living as a black person in a racist world others examine the role of gender in wright's canonical and lesser known writing and the implications of black male vulnerability they also discuss the topics of black subjectivity internationalism and diaspora and the legacy of and responses to slavery in america wright's contributions to american political thought remain vital and relevant today the politics of richard wright is an indispensable resource for students of american literature culture and politics who strive to interpret this influential writer's life and legacy

photographs and text describe the conditions of blacks in american cities and rural areas

during the great depression

richard wright is one of the most important african american writers he is also one of the most prolific best known as the author of native son he wrote 7 novels 2 collections of short fiction an autobiography more than 250 newspaper articles book reviews and occasional essays some 4 000 verses a photo documentary and 3 travel books by attacking the taboos and hypocrisy that other writers had failed to address he revolutionized american literature and created a disturbing and realistic portrait of the african american experience this encyclopedia is a guide to his vast and influential body of works

today the question of iconography has taken on a new and more general urgency as a dominant cultural practice iconography embraces the politics as well as the poetics of visual representation within their specific historical and cultural conditions in its contemporary significance the question of iconography moreover reaches beyond disciplinary boundaries of conventional definitions and interpretations of the relation between words and images in a demand to critically compare and contrast their different iconographies as cultural practices of power in their distinct arguments and from different perspectives the essays collected in this volume are all similarly concerned with the iconographical power and poetics of the image including a broad range of visual representations prints and illustrations painting sculpture and concept art documentary and art photography film comedy and digital imagery in all these instances the image is looked at not as an exclusive and isolated phenomenon but rather emphatically as a visual and contextual event as both the source and target of the collision and the collusion of word and image as instances and symptoms of contemporary iconographic practice alike with contributions by winfried fluck mario klarer mick gidley douglas tallack heinz ickstadt peter schneck maren stange hanne loreck zsofia ban susanne v falkenhausen deniz gokturk wendy steiner hanjo berressem kaja silverman michael wetzel

thirty four critical essays on the lives and literary achievements of black american writers from as early as the first slave narratives down to the latest works of such contemporary figures as ishmael reed and jean toomer each essay strikes a balance between biography and literary criticism giving full consideration to the effects of culture and life experience on the core writings of the tradition each author is situated in the context of american history

and the unique experience of the african american people annotation copyrighted by book news inc portland or

the origins of black humanism in america is a provocative examination of the religious and intellectual roots of african american humanist thought and praxis that weaves together history biography literary criticism cultural studies political theory and religious studies drawn from widely scattered sources across the african diaspora floyd thomas tells the remarkable story of reverend e ethelred brown a jamaican immigrant ordained as a unitarian minister in the early twentieth century who founded the harlem unitarian church the first fellowship established by unitarians of african descent in north america by linking brown s pioneering efforts in the unitarian church to the many varied expressions of religious and secular humanism within the african american experience floyd thomas offers a groundbreaking narrative that brings to life the overlooked legacy of visionary black men and women who have led prophetic struggles for social justice in a desperate era ultimately transforming liberal faith working class radicalism and cultural nationalism in order to redefine contemporary notions of race and religion for a new generation book jacket
