presents guidance first published in 1911 on camping skills identification of birds animals trees and plants tracks and trailing signaling health and endurance chivalry first aid and lifesaving games and athletic standards and patriotism and citizenship and also covers scouting virtues the scout oath and law scout rank and knots every scout should know

this book is essential for everyone not just boyscouts or boys even it is full of practical advice on just about everything the original boy scout handbook standardized american scouting and emphasized the virtues and qualifications for scouting delineating what the american boy scouts declared was needed to be a well developed well informed boy the book includes information on the organization of scouting signs and signaling camping scouting games and a description of several scouting honors scouts past and present will be fascinated to see how scouting has changed in the ensuing years and how it has stayed the same

a scout is a friend to all an amalgam of imperial myth borrowed tips on health and hygiene and object lessons in woodcraft the 1908 text of robert baden powell s scouting for boys is the original blueprint and self instructor of the boy scout movement one of

the all time bestsellers in the english speaking world this primer of yarns and pictures constitutes probably the most influential manual for youth ever published yet the book is at the same time a roughly composed hodge podge of jingoist lore and tracker legend padded with lengthy quotations from adventure fiction and baden powell s own autobiography and seamed through with the multiple anxieties of its time fears of degeneration concerns about masculinity and self restraint and invasion paranoia elleke boehmer s edition of scouting for boys reprints the original text and illustrations and her fine introduction investigates a book that has been cited as an authority by militarists and pacifists capitalists and environmentalists alike about the series for over 100 years oxford world s classics has made available the widest range of literature from around the globe each affordable volume reflects oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

thank you for being an important part of keeping this knowledge alive and relevant

at the very beginning of the twentieth century retired general robert baden powell the hero of the siege of mafeking coalesced his ideas for an organization to train young british boys in scouting for the british empire not a very organized thinker baden powell borrowed heavily from all sorts of unrelated resources newspaper articles military dispatches fiction and much more and produced this his first book on scouting originally published as six separate books this book brings all of them together now as might be expected from its roots this book reflects a lot of the biases and ways of thinking from edwardian england but leaving that aside this is a fun and interesting book that shows clearly the forms that have stayed with the boy scouts movement to this very day now as a newcomer to scouting will you find anything useful in this book you sure will robert baden powell was very knowledgeable about the subject and this book sure shows it youv e never thought of tying your shoes like that of course some of the information is out of date especially the first aid information so it isn t really usable by the boys as is but this is a nice resource one that shows you where scouting started you will actually enjoy the somewhat jumbled organization of this book it isn t as scholarly and antiseptic as modern boy scout books and the stories and tales laced throughout make the reading much more fun plus you will find the focus on some subjects such as logic and deductive reasoning to be quite interesting you will love this book it s highly recommended

this deluxe unabridged reprint legacy edition of robert baden powell s 1908 scouting for boys is the very first manual for boy scouts which kicked off the global scout movement first published in the uk for british boy scouts bp s handbook provides the

blueprint for the first scouts

this description is for the historically correct 1908 edition with the light blue cover in may 1908 baden powell released all six of his fortnightly pamphlets under the one cover as this book scouting for boys now for the first time you can purchase and read the book which catapulted the scouting movement into the hearts and minds of the public worldwide in this new edition there s no modern long winded overly critical politically correct 40 page introduction by a non scout with a barely concealed disdain for our beloved bp and his astounding and unequaled legacy of service to the youth of the world on this the 110th anniversary of the establishment of the scout association the anonymous publishers of this edition who we might add are old scouts themselves have painstakingly reproduced directly from a very rare original the 1908 first edition of scouting for boys so it may be presented read and understood exactly as the founder lord robert baden powell of gillwell intended with all original illustrations this new paperback replica edition brings this exceptionally rare book to a 21st century audience be sure to keep an eye out for our new editions of baden powell s military and scouting books which include reconnaissance and scouting 1884 red leather cover cavalry instruction 1885 red canvas cover aids to scouting for n c os men 1899 red cover scouting for boys part i 1908 buff cover scouting for boys part ii 1908 buff cover scouting for boys part iii 1908 buff cover scouting for boys part iv 1908 buff cover scouting for boys part v 1908 buff cover scouting for boys part vi 1908 buff cover scouting for boys all parts 1908 light blue cover boy scouts of america official handbook original edition 1910 khaki cover aids to scoutmastership 1919 khaki cover

this is a facsimile reprint of the very first boy scouts handbook complete with the wonderful vintage advertisements that

accompanied the original 1911 edition now in full color over 40 million copies of this book have been distributed since its first publication nearly 100 years ago the original boy scouts handbook standardized american scouting and emphasized the virtues and qualifications for scouting delineating what the american boy scouts declared was needed to be a well developed well informed boy the book includes information on the organization of scouting signs and signaling camping scouting games and a description of several scouting honors scouts past and present will be fascinated to see how scouting has changed as well as what has stayed the same over the years

please note this is not the current edition of the bsa handbook it is a reprint of an historical edition of the bsa handbook for the first time we are pleased to present this facsimile copy of the 1910 original edition of the boy scouts of america official handbook written primarily by ernest thompson seton with sections added from lieutenant general sir robert baden powell s scouting for boys and aids to scouting the 1910 original edition is a milestone in the history of the boy scouts of america published only from july 1910 to march 1911 this short lived bsa handbook was cobbled together using material from seton s earlier work the birch bark roll and then fused with baden powell s boy scouts concept always meant as a temporary handbook until a proper one could be written and published the 1910 original edition is super interesting and contains a wealth of woodsman s lore and military scouting techniques and training which do not appear in later editions of the bsa handbooks many expertss consider this book to be quite a useful backwoods survival manual and it definitely has appeal to the modern classic camping movement the content of this edition is presented exactly as per the original with the same page count illustrations and table of contents it s the

original text exactly as it was presented in 1910 without some modern expert analysis or introduction today's reader can make up their own mind by actually reading the book a perfect gift for the classic camping enthusiast old eagle scout or the young indiana jones in your life with all original illustrations this new paperback replica edition brings this exceptionally rare book to a 21st century audience be sure to keep an eye out for our new editions of baden powell's military and scouting books which include reconnaissance and scouting 1884 red leather cover cavalry instruction 1885 red canvas cover aids to scouting for n c os men 1899 red cover scouting for boys part i 1908 buff cover scouting for boys part ii 1908 buff cover scouting for boys part iii 1908 buff cover scouting for boys part iv 1908 buff cover scouting for boys part v 1908 buff cover scouting for boys part vi 1908 buff cover scouting for boys all parts 1908 light blue covers boy scouts of america official handbook original edition 1910 khaki cover aids to scoutmastership 1919 khaki cover
