without proper strategic planning for medicaid qualification the sad reality is that already cash strapped families will face enormous hospital and nursing home bills on behalf of loved ones in need and they will likely lose everything in the process let's face it most of us have no vast fortune to fall back on when a medical crisis strikes a loved one as a result of poor planning the real tragedy accordingly occurs when entire family legacies are stripped away sometimes within a few short months or even weeks because an elderly loved one

falls into the zone of nursing homes and exploding hospital costs for catastrophic care as a highly qualified medicaid planning specialist of more than 15 years i have run into this type of tragedy time and again yet i have never lost the passion to prevent it given enough time for advance planning or to stop the medicaid destruction cycle in mid stream

dreams and nightmares takes a critical look at the challenges and dilemmas of immigration policy and practice in the absence of comprehensive immigration reform the experiences of children and youth provide a prism through which the interwoven dynamics and consequences of immigration policy become apparent using a unique sociolegal perspective authors zatz and rodriguez examine the mechanisms by which immigration policies and practices mitigate or exacerbate harm to vulnerable youth they pay particular attention to prosecutorial discretion assessing its potential and limitations for resolving issues involving parental detention and deportation unaccompanied minors and dreamers who came to the united states as young children the book demonstrates how these policies and practices offer a means of prioritizing immigration enforcement in ways that alleviate harm to children and why they remain controversial and vulnerable to political challenges
