this is the first football history to chronicle year by year how playing rules developed the game football a four dimensional game of rushing kicking forward passing and backward passing has had more playing rule changes since its inception than any other sport the anatomy of a game follows football rules from the game s european roots through its beginning in the united states to its position as the number one spectator sport in the 1990s highlighted are details of the crisis years that changed the character of the game with coaches and rules committee members the featured players david m nelson who served on the ncaa rules committee longer than walter camp provides personal insight into all rules committee meetings since 1958 as well as an appendix chronological and by rule listing every change since 1876 ever since the first two human beings kicked threw or batted an object competitively there have been playing rules games are mentioned in the bible and the romans brought football s forerunner to britain from where it was exported to the united states it was in the united states that college students decided to make their game rugby rather than soccer although the students invented united states football and made the first rules their ruling power was eventually lost to the faculty administrators coaches rules committees and the ncaa beginning as a brutal sport football survived several crises before and after the turn of the century eventually becoming respectable the 1931 injury crisis split the high school and college rules and the same year the professionals went their own way with rules largely based on spectator appeal today the sport is a national treasure primarily because of its playing rules over seven hundred in total which make college football unique among the world s team sports moreover football remains an american game never having the same impact in other countries as do baseball and basketball rules make the game but people make the rules football survived the major crises that threatened the game because committee members adhered to the precepts that had governed football since its inception the game began with an attempt to have a consistent code of justice personal accountability and equality in some sense the playing rules are a type of moral precept that explains in the simplest terms what can and cannot be done the football code which first prefaced the rules in 1916 makes the game more than any other sport a moral one because it sets standards for coaching playing sportsmanship and officiating book jacket title summary field provided by blackwell north america inc all rights reserved
