wars are remembered as dramas either of stirring victory or shameful defeat the forgotten war in korea depending on who is remembering has been branded as both win or lose korea sometimes vanishes within the larger narrative of the cold war a

memo somewhere near the front of the tale it also hides behind larger personalities such as general macarthur president truman or television that moment in korea was the first occasion when americans were too busy for world events grandpa s war offers a nuanced perspective of the korean war the author is a student of war diaries from the first cavalry and a friend and relative to their combat engineers this telling of korea is not another by product of great colliding superpowers but rather the familiarity of farm kids and city boys who were translating strange orders into gutsy actions their instructions communists the third world were as foreign to them as the people these boys are aging now and some of them are already gone on june 25 2020 the forgotten war will be seventy years old the peninsula today would seem greatly different to these boys south korea with its burgeoning economy world class health care prestigious education and olympics has escaped its past as a third world nation the north on the other hand has never flourished these boys may not have known too much about what they were doing at the time but for the last seventy years they ve had so many confirmations of stirring victory this novel chooses to never forget these farm kids and city boys even after their war becomes a footnote of history
