188 pages 245 illustrations size 8 1/2 x 11 inches a faithful reproduction of the 1967 Floyd Clymer publication of the official 1960 Honda factory workshop manual for the 250 305 series C72 C77 CS72 CS77 CB72 CB77 Hawk. This series of motorcycles were introduced in 1960 and the last year for manufacture was 1967; however, some models were sold and titled in the US during 1968 and 1969. There are exhaustive tables of technical data, tolerances, and fits, and all of the expected data from a factory publication for the repair and overhaul of all major and minor mechanical and electrical components, making it an invaluable resource for collectors and restorers of these classic Honda motorcycles. There are 245 illustrations, and each procedure is explained in a step-by-step method using an appropriate illustration. The translation from Japanese to English is at times a little quirky.

but the profuse illustrations make up for any difficulty in understanding what needs to be done there are separate sections that deal with the repair and overhaul procedures for the engine transmission wheels and brakes front forks frame and carburetor plus a detailed electrical service section this is a must have reference for any honda enthusiast and would certainly assist in helping any potential purchaser better understand the inner workings prior purchasing of one of these classic motorcycles out of print and unavailable for many years this book is highly sought after on the secondary market and we are pleased to be able to offer this reproduction as a service to all honda enthusiasts worldwide
