the lancer name conjures up many different images for some it evokes memories of the first generation cars introduced in 1973

which fought with the best on the safari rally and came out the victors others will remember the second generation models especially the turbocharged versions the original mitsubishi wolf in sheep s clothing and who could not be aware of the evolution evo series launched in 1992 forged in the fierce heat of wrc competition and honed by years of continuous development the lancer evolution is not only one of the greatest rally cars of all time it is also a desirable high performance road car too written in japan with the full cooperation of mitsubishi and key staff members this is the definitive international story of all the world s lancers whether they carried mitsubishi dodge colt plymouth valiant eagle proton or hyundai badges with special emphasis on the evolution models

for 30 years some of the most talented and bravest drivers have battled across the continents of the world to claim what is arguably motorsport s toughest prize the world rally championship now a multi million dollar global technology battle and terrestrial television phenomenon played out over the frozen wastes of finland the dusty plains of australia and the sun kissed mountain roads of corsica the wrc has reached its 30th birthday this book celebrates that important milestone and paints an exhaustively detailed picture of the people and personalities who have shaped this great sport the complete book of the world rally champions provides a biographical account of the 65 men who have won at least one world championship rally since 1973 the biographies are compiled by the sport s leading writers and historians and complemented by stunning photography the book includes a detailed and accurate statistical career record of each driver plus highlights of all the significant cars

over the past forty years state provincial and local governments in the united states and canada have provided foreign automakers with approximately 4 80 billion in incentives in order to lure light vehicles assembly plants to their areas this has included tax abatements infrastructure construction land giveaways job training programs and other subsidies as of early 2015 ten foreign vehicle makers operated 20 light vehicles in developed north america despite the fact that all ten of these automakers have pursued a similar pattern first exporting vehicles into the united states and canada before launching vehicle plants in developed north america each has followed its own specific historical development path and has created its own

unique growth trajectory this book provides a unique historical and qualitative review of these ten vehicle makers from their early beginnings to their export entry into the united states and or canada through early 2015 in addition it chronicles the histories of more than a dozen former automakers and potential future foreign light motor vehicle assembly plants in the united states and canada this includes the first foreign automaker to build its cars in the united states de dion bouton of france in july 1900 the early 20th century endeavors of fiat mercedes and rolls royce and the present day hopes of chinese and indian automakers in the process the text also provides an assessment of the top competing states and sites for any future plants the possible incentives packages governments may offer to attract such facilities and an estimated incentive value for each automaker overall the goal of this book is to expand the knowledge of policymakers at all tiers of government in the united states and canada and to help them take a more holistic look at the pros and cons of attracting automobile manufacturing fdi it is hoped that this will enable them to make more informed decisions when pursuing a new foreign motor vehicle assembly plant its findings should also prove informative to urban and regional planning political science sociology economics labor and international development scholars and students in north america and worldwide
