paul messaris is an extremely thoughtful commentator on the world of visuals he has studied advertising visuals for many years and his insights are always stimulating and sometimes even controversial this book makes an important contribution to the literature in two fields visual communication and advertising i recommend it for faculty and students as well as professionals in the advertising field sandra moriarty professor university of colorado with an informal writing style and examples both thoughtful and illustrative paul messaris in his visual persuasion leads the reader through the often complex field of visual literacy related to advertising images with high style and intellect when so much information is conveyed through quickly edited and carefully controlled mass media images visual persuasion is a vital book toward understanding the impact on individuals cultures and society of persuasive visual messages paul martin lester ph d author of visual communication with messages a smartly reasoned and elegantly written treatment of visual argumentation authored by one of america s most respected authorities on visual communication james lull the pictures in tv commercials magazine ads and other forms of advertising often convey meanings that cannot be expressed as well or at all through words or music visual persuasion is an exploration of these unique aspects of advertising by virtue of their ability to simulate the appearance of the physical world pictures can become surrogate objects of desire or other emotions which ads subsequently associate with products by exploiting viewers assumptions of a direct automatic connection between photography and reality images can serve as proof of advertising claims because of the implicit nature of visual argumentation and the relative lack of social accountability that images enjoy in comparison with words pictures can be used to make advertising claims that would be unacceptable if they were spelled out verbally using these characteristics of visual persuasion as a starting point this important book analyzes a variety of commercial political and social issue advertisements a separate chapter examines the role of pictures in cross cultural advertising

visual persuasion is recommended for upper level undergraduate students and graduate students in communication and media studies it also contains insights that will be valuable to students in courses in cultural studies sociology anthropology and advertising

new york magazine was born in 1968 after a run as an insert of the new york herald tribune and quickly made a place for itself as the trusted resource for readers across the country with award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating new york as both a place and an idea

in today s uncertain economy more car buyers are turning to the used car market based on the results of unbiased tests and surveys conducted by consumer reports the guide evaluates fuel economy performance level repair record and overall quality of hundreds of 1984 1989 cars with detailed reports on 1987 1989 models ratings charts tables index
