from its inception as a fighting vehicle in world war ii to today s comfortable cruisers and family adventure rigs the jeep has gone through frequent revisions and spawned numerous versions this revised edition has been expanded to include updated information on older models as well as the latest on new wranglers cherokees and the jeep liberty jeep collector s library covers all of the information on jeep fans crave including history technical specifications option lists and production information jeep still continues to sell over 600 000 units per yearabout the authorauthor and photographer jim allen has written numerous books and magazine articles about jeep and its history he lives in grand junction colorado

field stream america s largest outdoor sports magazine celebrates the outdoor experience with great stories compelling photography and sound advice while honoring the traditions hunters and fishermen have passed down for generations

the definitive fully illustrated celebration of an auto manufacturer that paved its own way by going off road is now updated to celebrate jeep s 80th anniversary few american vehicles or vehicles made anywhere else in the world for that matter are as universally iconic as the jeep from olive drab wwii military relics to the beloved wrangler with its rear mounted spare tire open air design and telltale roll cage the jeep is a true classic in jeep eight decades from willys to wrangler automotive writer patrick r foster chronicles jeep vehicle design and production from the beginning of world war ii to present beginning with the jeep as a crucial component of the american war fleet foster expertly recounts the corporate shifts financial struggles and successes close calls and above all the enduring machines that have carried jeep from the early 1940s to its triumphant role as a modern day embodiment of american perseverance more than 200 color and black and white historical photos and period advertisements complement his expertly written narrative of jeep s entire history now updated to include five years of new model editions and prototypes its return to the pickup market and recent stunning marketplace successes the resulting book reminds us that sometimes the road less traveled was just waiting for the right truck

american motors was the little company that made a big impact maker of the Rambler family car the Kenosha based AMC offered an antidote to the excess of Detroit s Big 3 but when America decided it wanted sporty rather than econocars AMC got groovy with the Javelin AMX Scrambler and Rebel machine American Motors was a proven performer in showrooms and on the track with

success in drag and road course racing however through it all came solid rambler value and a different approach from detroit an accent on consumer protection along with brand label special editions and when it came to blue sky thinking amc surpassed all with the gremlin and pacer small cars off road kenosha truly made jeep the one only popularizing the brand and making it the sales success it is today beyond that amc created america s first crossover the eagle it all proved that america s smallest was its biggest surprise
