popular science gives our readers the information and tools to improve their technology and their world the core belief that popular science and our readers share the future is going to be better and science and technology are the driving forces that will help make it better

salvation station was written because of the author s enlightenment to fully comprehend eternity faith and salvation through jesus this comes with a basic understanding that we are not human beings having a spiritual experience we are spiritual beings having a human experience many people are exactly where ruben gonzales was before he accepted his born again gift from our creator in heaven being born again is not a religion it is a life changed by god many people may not have the opportunity to read the scriptures like the author did not have until age 47 therefore this book is a short cut for the readers so they can tune into wisdom with less effort and increase their faith the book features stories from individuals who had their lives changed considerably because of receiving a real life miracle from god salvation station is his bare bone plea to make sure the readers are ready for eternity time is running out as each one of us has an appointed time to meet our creator the last days will be like the days of noah how many people do you think there were pounding on the side of the ark when water was already up to their ankles how many bloodstains were left there on the sides of the boat from the knuckles of those perishing as the ark began to float salvation station can be an eternal life saver if the reader receives the free gift of salvation coming from our lifesavior for others who are already born again it will help increase faith as they make their transition into heaven
