a daily diary of actual interactions between a reference desk librarian and his patrons  
reference librarianship documents a year in the life of a young librarian working in  
the trenches at a library in the midwestern united states this one of a kind book  
provides a daily diary of every librarian patron transaction no matter how mundane  
or absurd to demonstrate not only how advances in technology have affected the  
reference librarian s job but how the public s expectations have changed as well the  
book also includes observations by a now retired reference librarian on the current  
state of the field based on these unedited interactions over the past two decades the  
job of reference librarian has seen many changes but in many ways reference desk  
work hasn t changed a bit with its mix of odd humorous routine and ridiculous  
requests that capture what it s like to deal with patrons day after day reference  
librarianship paints a clear picture of the field for library school students provides  
emotional and philosophical support to practitioners and reminds library  
administrators of what life was like on the front lines a sampling of the daily  
transactions documented in reference librarianship monday may 19 2003 pencil  
pencil network down i tell people that i can t sign them up for an internet terminal  
because the network is down and they just stand there staring into space one of them  
asks for three days worth of newspapers microfiche machine explanation sorry sir the  
network is still down multiply by twenty and insert randomly into the remainder of  
the day magic tricks but he pretty much knew where they were one of our large
