a guide to buying a used car or minivan features information on the strengths and weaknesses of each model. A safety summary recalls warranties and service tips.

In this long awaited book from the world's premier brand expert and author of the seminal work *Building Strong Brands*, David Aaker shows managers how to

construct a brand portfolio strategy that will support a company's business strategy and create relevance differentiation energy leverage and clarity building on case studies of world class brands such as dell disney microsoft sony dove intel citigroup and powerbar aaker demonstrates how powerful cohesive brand strategies have enabled managers to revitalize brands support business growth and create discipline in confused bloated portfolios of master brands subbrands endorser brands co brands and brand extensions aaker offers readers step by step advice on what to do when confronting scenarios such as the following brands are underleveraged the business strategy is at risk because of inadequate brand platforms the business faces a relevance threat caused by emerging subcategories the firm's brands are tired and bland strategy is paralyzed by a lack of priority among the brands brands are cluttered and confusing to both customers and employees the firm needs to move into the super premium or value arenas to create margin or sales volume margin pressures require points of differentiation renowned brand guru aaker demonstrates that assuring that each brand in the portfolio has a clear role and actively reinforces and supports the other portfolio brands will profoundly affect the firm's profitability brand portfolio strategy is required reading not only for brand managers but for all managers with bottom line responsibility to their shareholders

the automotive maven and former member of parliament might be the most trusted man in canada an inverse relationship to the people he writes about the globe and mail lemon aid shows car and truck buyers how to pick the cheapest and most reliable vehicles from the past 30 years of auto production this brand new edition of the bestselling guide contains updated information on secret service bulletins that can save you money phil describes sales and service scams lists which vehicles are factory goofs and sets out the prices you should pay as canada's automotive dr phil for over 40 years edmonston pulls no punches his lemon aid is more potent and provocative than ever

in recent years researchers and practitioners have explored the nature theory and best practices that are required for effective and ethical crisis preparation and response the consequences of being unprepared to respond quickly appropriately and ethically to a crisis are dramatic and well documented for this reason crisis consulting and the development of crisis response plans and protocols have become more than a cottage industry taking a rhetorical view of crisis events and utterances this book is devoted to adding new insights to the discussion and to describing a rhetorical approach to crisis communication to help set the tone for that description the opening chapter reviews a rhetorical perspective on organizational crisis as such it raises questions and provokes issues more than it addresses and answers them definitively the other chapters can be viewed as a series of experts participating in a panel discussion the challenge to each of the authors is to add depth and breadth of understanding to the analysis of the rhetorical implications of a crisis as well as to the strategies that can be used ethically and responsibly central to this analysis is the theoretic perspective that crisis response requires rhetorically tailored statements that satisfactorily address the narratives surrounding the crisis which are used by interested parties to define and judge it this volume will be of value to scholars and students interested in crisis communication and is certain to influence future work and research on responding to crises

highlights products that have been leaders in their respective brand categories and which have had an impact on american business or popular culture

davis fundamentals of operations management fits the one semester course at either the undergrad or mba market the 1st canadian edition addresses the increasing trend toward briefer less quantitative and more managerial on issues that confront managers today and does so within a canadian and global perspective davis also serves customers in search of a brief conceptual overview to support their own lecture notes additional readings and or case material
