this illustrated history celebrates the 75th and 70th anniversaries of volkswagen s two most iconic vehicles from the first beetles spearheaded by  
ferdinand porsche in the 1940s to the buses that became synonymous with a generation volkswagen is one of the most beloved brands in  
motoring history thanks largely to two instantly recognizable vehicles the beetle a k a bug and the bus more than 23 million vw beetles have  
buzzed into the world since 1945 while the vw bus presaged the minivan by thirty plus years volkswagen beetles and buses examines and  
celebrates all aspects of the vehicles and the many cultural associations that have swirled around them for more than seven decades the  
diminutive rear engined and easily mass produced beetle became the most popular imported car in america during the 1960s its success was due  
to its familiar face its wildly clever ad campaigns and the sheer numbers produced the equally compact yet spacious bus a k a kombi microbus  
type 2 transporter and simply van has won millions of fans around the world with its practicality simplicity and design in this beautifully  
illustrated and authoritatively written celebration author russell hayes looks back at the vehicles while focusing on the classic air cooled vws that  
ran into the late 1970s along the way readers witness the beetle and bus at work and at play and learn about vehicle development and growing  
roles in popular culture including star appearances in films like the love bug little miss sunshine footloose fight club the big lebowski and fast  
times at ridgemont high as well as television shows like lost and once upon a time and on the covers of the beatles abbey road and bob dylan s  
freewheelin album the story is brought up to date with coverage of the new beetle and plans for the vw buzz a modern electric version of the  
iconic microbus due in 2022 volkswagen beetles and buses deserves a place in the motoring libraries of vw owners automotive enthusiasts and  
those simply interested in pop culture it s the ultimate illustrated history of these beloved vehicles

build and modify your volkswagen beetle using today s greatest aftermarket parts while implementing historic and modern modifications if ever a  
car rolled off the factory floor in the form of a blank slate the vw beetle is it in fact after taking delivery of their beloved bug many owners  
began modifications and customizations to personalize their favorite german compact perhaps the most charismatic automobile ever the  
volkswagen beetle was the longest running most manufactured automobile on a single platform in automotive history from 1938 to 2003 more

than 21 5 million bugs were assembled distributed and sold on nearly every continent in the world if there s a component that owners can modify they ll do it and each custom touch makes them love their beetle even more airkooled kustoms a volkswagen restoration and modification shop in hazel green alabama has served all kinds of classic volkswagen owners for those who venture into the world of customization no modern or historic trend is off limits these volkswagen experts introduce and walk you through some of the most glorious customizations that beetle owners can make to their rides you ll find inspiration instruction and more modifications than most owners could ever tackle in a lifetime

the vw beetle is simply the best known and most loved car in the history of the motor car amazingly some of the earliest beetles now seven decades old are still on the road while more recent examples particularly the classics from the late 1950s and 60s are many an enthusiast s pride and joy created through the ingenuity of ferdinand porsche brought to the brink of series production by hitler s nazis and rescued from oblivion by the british after the war the beetle soon developed into a phenomenon under the guardianship of heinz nordhoff the vw boss for two decades overwhelmingly successful in over 150 countries across the world most notably in the usa when the car finally fell from grace in europe after nordhoff s death it was destined to enjoy a revitalised and lengthy swansong in south america the legendary beetle s intriguing story is unravelled in this fascinating and handsome book
