PM is the ultimate guide to our high tech lifestyle.

using a multi-level approach to mark 15:34 and contra to the opinion of the majority of markan scholarship a contextual reading of ps 22:2 does not serve to negate or dilute the presentation of jesus as one in distress rather such a reading enhances this aspect of his death by underscoring his identity as a righteous sufferer who experiences suffering but has the promise of vindication the evidence that supports a contextual reading of the citation in the markan narrative includes a the importance of jesus impending resurrection vindication and its foreshadowing b the relatively consistent contextual use of the scriptures in the narrative prior to mark 15:34 c the patterns of the textual and liturgical use of the psalms and the presence of the motif of the righteous sufferer in mark's socio-cultural milieu d the presentation of jesus as the righteous sufferer throughout the narrative and e an exegesis of mark 15:34 and the surrounding markan passion-resurrection narrative with regard to the function of ps 22 in the story of jesus death and resurrection a test case of this argument is undertaken at the close of the book when both matthew and luke's treatment of ps 22 and other righteous sufferer language is considered regarding their readings of ps 22 in mark as the earliest tangible evidence of the interpretation of this passage in his gospel

arete and the odyssey's poetics of interrogation explores how the enigmatic phaeacian queen arete is at the heart of an epic scale poetics of interrogation used throughout the odyssey to negotiate odysseus' kleos or epic renown arete's interrogation of odysseus has been especially problematic in scholarship but diachronic and synchronic analysis of similar interrogations across indo-european orphic and greek epigrammatic corpora show that the stranger's interrogation is a formula that demands performance and negotiation of status within the odyssey this interrogation is part of an intraformular network used to generate kleos and the queen's question initiates the longest and most complex negotiation of odysseus' status in epic and memory arete's role as interrogator not only explains her strange authority and resonance with both penelope and comparative afterlife figures but it also establishes a gendered agonistic tension between she and her husband alkinoos that influences the structure, genre, and narratology of performances across the phaeacian episode this book reinterprets the odyssey's central episode and challenges several assumptions about nausikaa and alkinoos' famed hospitality even demonstrating how the apologue is organized as a response to

competing inquiries into odysseus fundamental status in tradition the odyssey ultimately navigates away from odysseus public reputation and roots his status in private memories and arete s carefully arranged interventions signal the larger process by which the odyssey immortalizes odysseus in poetry as a nostos hero the queen and her question invite new applications of oral poetics that shed light on the structure composition and reperformance of the odyssey

in the summer of 1876 mark twain started to write adventures of huckleberry finn as a detective novel surrounding the murder of huck s father pap finn the case is unresolved in the novel as it exists today but twain had already planted the clue to the identity of the killer it is not the various objects ostentatiously left around pap s naked body they are not the foreground of the scene but actually the background against which a peculiar absence emerges distinctively pap s boots with a cross in one of the heels are gone with his murderer the key to the mystery of twain s writings as this book contends from a broader perspective is also such an absence twain s persistent reticence about the death of his father especially the autopsy performed on his naked body is a crucial clue to understanding his works it reveals not only the reason why he aborted his vision of huckleberry finn as a detective novel but also why despite numerous undertakings he failed to become a master of detective fiction

in 1877 the famed italian astronomer giovanni schiaparelli used his brand new 8 6 inch telescope to study the planets to his great surprise he suspected that he saw symmetry on mars in the years that followed one astronomer after another looked at the red planet and gradually a mythology was formed a mythology of alien intellect by the 1890 s the martial influence had spilled over into all walks of life and sparked philosophical debates and wondrous fictions scientists fantasists and people of all creeds looked up and wondered is there life out there now more than a century later nations around the world are bombarding mars with an unprecedented fleet of exploratory vehicles their journey taking less time than it took amundsen and shackleton to reach the poles of earth these small but hardy robotic emissaries are thrusting their way through the depths of interplanetary space to take up residence in the barren martian deserts their goal is to answer one of the oldest questions in mankind s history is there life out there in this sequel to the best selling first volume the reader is brought up to date with the most recent results from our nearest neighbour filled with a wealth of facts about the latest fleet of martian explorers as well as a look at what may be coming next in mankind s most ambitious quest for knowledge includes dvd v dvd rom featuring exclusive interviews with mars rover mission scientist steve squyres senior flight engineer rob manning mission manager jim eriksen the complete cornell animation of the rovers created by maas digital a nasa animation of a proposed manned mars mission the exciting mission control broadcast of the landing of opportunity in meridiani planum and as an added extra special bonus extremely rare video of dr wernher von braun filmed in 1976 at the occasion of his last public speech about mars exploration
