donny is the winner of the 2012 international book awards donny petersen offers the real deal in performancing your harley davidson twin cam graphics pictures and charts guide the reader on a sure footed journey to a thorough h d twin cam performance understanding petersen s insight makes technical issues understandable even for the novice donny simply explains what unfailingly works in performancing the twin cam this is the second volume of petersen s long awaited donny s unauthorized technical guide to harley davidson 1936 to present this twelve volume series by the dean of motorcycle technology examines the theory design and practical aspects of twin cam performance donny studied privately with harley davidson engineers having worked on harleys for over 35 years he founded toronto s heavy duty cycles in 1974 north america s premier motorcycle shop donny has ridden hundreds of performed shovels evos and twin cams across four continents doing all of his own roadside repairs he has acquired his practical knowledge the hard way donny has the privilege of sharing his performance secrets the easy way donny will walk you through detailed performancing procedures like headwork turbo supercharging nitrous big inch harleys and completing simple hop up procedures like air breathers exhausts and ignition modifications donny petersen feels honored to share the wealth of his motorcycle knowledge and technical expertise

arranged chronologically presents a history of every major motorcycle model produced by the legendary company since 1903

as a young lad i grew up in the west end of toronto knowing my dad walked out on my mom and me when i was three years old after the event when i refused to go with jesus until my mom was with him i started taking my anger out against my dad to those who made the mistake of getting in my way to see the look on those corrupt officers faces when they had caught me for something and had to call the cop on our street to come get me was priceless i grew up into a young man who would drive from toronto straight to the east end of montreal for crepes and then return later in the day i enjoyed driving so much i ended up with a transport license throughout my life i enjoyed shooting pistol and rifle soaring flying parachuting and motorcycles i found my dad during the late sixties and when passing who i found out later was my half sister i heard her tell two friends i was the black sheep of the family and that was all she knew once i got to know my dad i realized why he and my mom were so wrong for each other they were both alcoholics though i did get one useful quality from each of them got my quebecois dad s quick anger and my irish mom s willingness to fight anyone anywhere at any time these abilities served me well up until i came back to god in 1998 my apology for having to sanitize some of the events in my life and for leaving others out a criminal lawyer i know told me what had to be removed or changed as the laws here in canada are different

than those in the usa friends who read this manuscript before it went to the lawyer saw how god changed my life for the better starting in 1998 years later the anger in me is slower and slower before it comes out at first i only wrote down what i thought would be shown at my funeral if anyone came and then three years ago the voice i know was from god told me to put all my life events down in a binder i did that but the grammar was terrible then two years ago i was told to have all this stuff published now that was a pain getting organized as i had to go through everything checking the grammar which i am not good at lucky for me two friends who read this manuscript also fixed up my grammar errors god bless your brother in christ paul kelly

this document contains information on the utilization of the microwave landing system mls at heliports and helipads it was designed to familiarize operators and users with the features of the mls and its capabilities in supporting heliport operations for this reason the major sections of the document present information on mls siting operational characteristics selecting and specifying an mls system in addition other sections provide additional mls information to familiarize pilots with mls avionics pilot training requirements and aircraft performance considerations author
