pickup and sports utility vehicle seem like quaint names for these workhorses more and more they're what people tune up, trick out and take on the road or off. This book aims to help drivers make the most of their machines with 101 projects running the gamut from installing light bars and brush guards to gearing up for hard-core horsepower and high performance feats. This book will show truck and SUV owners of all stripes how to personalize their rides. 101 performance projects for your pickup and SUV offers easy-to-follow, clearly illustrated how-to information on everything from appearance modifications to more extensive upgrades with plenty of instructions for the many bolt-on solutions that are available in the marketplace. Planning tools, expenses, pros and cons: it's all here. The author walks owners through the nuts and bolts of lowering and lift kits, running boards and in-car entertainment systems, winches, wheels and tires and the full range of installations and accessories that will take a truck or an SUV to the next level.

Whatever happened to Jane Roe's baby? Norma McCorvey of Caddo Comanche Heritage did not terminate the pregnancy that led her to become the anonymous plaintiff of the landmark US Supreme Court women's rights case *Roe v. Wade*. Because in 1971 when the motion was first argued, abortion in the US was illegal, the Jane Roe real-life child is now a woman in her fifties and for most of her life she never knew she was her nor, therefore, did she know the potential of her polarizing celebrity. In Jane's Baby, it's 2016 and this is about to change. A religious rights splinter group has blackmailed its way into learning the identity of the Roe baby, the product of a closed adoption. To what end? Only a new Supreme Court case will reveal. Tourette's-afflicted K9 bounty hunter Judge Drury, a Marine, stands in the way of the splinter group's attempt at stacking the Supreme Court via blackmail, murder, arson, sleight of hand and secret identities.
