the v w golf was planned to be a worthy successor to the venerable beetle a move that required dynamic thinking and a clean drawing board if volkswagen was to continue to hold its position as one of the top automobile manufacturers where the golf differed from the crowd was its distinctive body design for here was the world s first hatchback when volkswagen launched the golf gti over thirty years ago it could hardly have known the

impact its compact and sporty model would have on the car buying public through an uncertain birth to its class topping iconic status of today rarely does a new model of car make a whole new market segment for itself but the golf was the original hot hatch a car that others would copy but seldom equal

while old mki golfs have by now largely rusted away the availability of mkii models at giveaway prices is plentiful that is until three magic letters gti appear on the car s front grille and hatch find a good example of the mki with the aid of this guide and you are in clover the buyer s guide carefully charts all the models that an enthusiast just has to own from the iconic late model mki with its pocket rocket 1 8 litre engine and 5 speed box through to the exclusive extremely powerful and much sought after limited edition rallye golf with both mileage and particularly condition having a marked affect on potential prices the authors give sound advice on what is worth restoring and what however tempting is likely to cost a new owner an un recoupable fortune weak points rust traps and potential mechanical defects are laid out for the reader with clear golf specific guidelines offered on the practicalities of rectifying such problems the authors also embrace both the customized and mechanically modified examples of the mki and mkii gti with each aspect of golf ownership meticulously captured on camera

volkswagen s gti golf and jetta are long time favorites among sport compact performance enthusiasts with engines ranging from the 2 0 liter naturally aspirated four cylinder to the 1 8 liter turbo 4 to the vr6 the mk iii and mk iv generations 1993 2004 offer tuners a wealth of opportunities this book turns these opportunities into realities from deciding which vehicle to buy to keeping it running in tip top condition to enhancing the performance and appearance of your vw focusing on the engine wheels and tires suspension body kits interiors and more each project includes straightforward instruction along with details about the necessary parts cost time and skill if you want to get the biggest bang for your vw buck this book is your road map

the story of the golf with a difference the emphasis is on the hotter hatch without ignoring the range that made an acknowledged market leader

all color book covers the full car s development and evolution histories with tips for buying routine maintenance modifications and competition

service to volkswagen owners is of top priority to the volkswagen organization and has always included the continuing development and introduction of new and expanded services in line with this purpose volkswagen of america inc has introduced this volkswagen official service manual the aim throughout has been simplicity clarity and completeness with practical explanations step by step procedures and accurate specifications
