this resource in contemporary gothic literature film and television takes a thematic approach providing insights into the many forms the gothic has taken in the twenty first century

why at a time when the majority of us no longer believe in ghosts demons or the occult does gothic continue to have such a strong grasp upon literature cinema and popular culture this book answers the question by exploring some of the ways in which we have applied gothic tropes to our everyday fears the book opens with the turn of the screw a text dealing in the dangers adults pose to children whilst simultaneously questioning the assumed innocence of all children staying with the domestic arena it explores the various manifestations undertaken by the haunted house during the twentieth century from the bombed out spaces of the blitz the demon lover and the night watch to the designer bathrooms of wealthy american suburbia what lies beneath the monsters that emerge through the uncanny surfaces of the gothic can also be terror monsters and after a discussion of terrorism and atrocity in relation to burial alive the book examines the relationship between the human and the inhuman through the role of the beast monster as manifestation of the evil that resides in our midst the hound of the baskervilles and the birds it is with the dangers of the body that the gothic has been most closely associated and during the later twentieth century paranoia attaches itself to skeletal forms and ghosts in the wake of the hiv aids crisis sexuality and as disease is one of the themes of patrick mcgrath s work dr haggard s disease and the angel and the issue of skeletons in the closet is also explored through henry james s the jolly corner however sexuality is also one of

the most liberating aspects of gothic narratives after a brief discussion of camp humour in british television drama series jekyll the book concludes with a discussion of the apparitional lesbian through the work of sarah waters

john ruskin one of the most influential art critics of the 19th century wrote more than half a million words on venice this is an abridged version of his opus which still contains the essence of his original work for those who would appreciate venice architecture and ruskin s fine writing

the essays in this volume reinterpret and contest the gothic cultural inheritance each from a specifically twenty first century perspective most are based on papers delivered at a conference held appropriately in horace walpole's gothic mansion at strawberry hill in west london which is usually seen as the geographical origin of the first but not the last of the many gothic revivals of the past 300 years in a contemporary context the gothic sensibility could be seen as a mode particularly applicable to the frightening instability of the world in which we find ourselves at the beginning of the twenty first century the truth is probably less epochal that gothic never went away when were we ever without fear or at least has persisted since its resurgence in the late nineteenth century gothic is at least as modern as it is ancient and each essay in this collection contributes to current scholarship on the gothic by exploring a particular aspect of gothic s contemporaneity the volume contains papers on horror novels and cinema poetry popular music and fan cultures
