T.S. Eliot is one of the most celebrated twentieth century poets and one whose work is practically synonymous with perplexity. Eliot is perceived as extremely challenging due to the multi-lingual references and fragmentation we find in his poetry and his recurring literary allusions to writers including Dante, Shakespeare, Marvell, Baudelaire, and Conrad. There is an additional difficulty for today's readers that Eliot probably didn't envisage: the widespread unfamiliarity with the Christianity that his work is steeped in. Steve Ellis introduces Eliot's work by using his extensive prose writings to illuminate the poetry as a major critic as well as poet. Eliot was highly conscious of the challenges his poetry set of its relation to and difference from the work of previous poets and of the ways in which the activity of reading was problematized by his work.

Although the doctrine of the Trinity is a core Christian belief, it remains contested in terms of how it is conceptualized and expressed. This essential guide expounds different conceptual models and the technical language used to express these models, providing a complete overview as well as new insights into the area. *The Trinity: A Guide for the Perplexed* is an essential read for students of Christian theology.

René Descartes is arguably the most important seventeenth century thinker and the father of modern philosophy. Yet his unique method and its divergence from the method of his scholastic predecessors and contemporaries raises complex and often challenging issues. *Descartes: A Guide for the Perplexed* is a clear and thorough account of Descartes' philosophy, his major works and ideas, providing an ideal guide to the important and complex thought of this key philosopher. The book covers the whole range of Descartes' philosophical work, offering a thematic review of his thought together with detailed examination of the texts commonly encountered by students, including the discourse on method and meditations on first philosophy. This book provides a cogent and reliable survey of the philosophical trends and influences apparent in Descartes' thought.

ecumenism a guide for the perplexed is a comprehensive introduction to the methods achievements and future prospects of the modern ecumenical movement the authors begin the volume by charting out a serviceable definition of ecumenism a term that has long been a source of confusion for students of theology and church history they review the chronology of the modern ecumenical movement and highlight the major events figures accomplishments and impasses this historical survey is followed by critical examinations of three significant challenges for contemporary ecumenical theology and practice along the way the authors provide commentary upon the difficulties and prospects that the ecumenical movement might anticipate as it enters this new millennium

continuum s guides for the perplexed are clear concise and accessible introductions to thinkers writers and subjects that students and readers can find especially challenging concentrating specifically on what it is that makes the subject difficult to fathom these books explain and explore key themes and ideas guiding the reader towards a thorough understanding of demanding material

this is a student s guide to the life and work of augustine a notoriously challenging thinker widely read in philosophy and christian theology the book provides a concise and coherent overview of augustine introducing all the key concepts and themes and is ideal for undergraduates who require more than just a simple introduction to his work and thought

continuum s guides for the perplexed are clear concise and accessible introductions to thinkers writers and subjects that students and readers can find especially challenging concentrating specifically on what it is that makes the subject difficult to fathom these books explain and explore key themes and ideas guiding the reader towards a thorough understanding of demanding material immanuel kant s influence and importance are difficult to exaggerate his three critiques of pure reason of practical reason and of judgment standing as landmark works in the western philosophical canon anyone interested in or studying philosophy will encounter kant and hope to reach a detailed understanding of his work nevertheless kant is far from being an easy or straightforward subject for study the ideas entailed in his work and the connections between them are complex and the language in which they are expressed is frequently opaque kant a guide for the perplexed is the ideal text for anyone finding it difficult to make headway with this key philosopher it offers a detailed account of each of the three critiques and the relationship between them in so doing it ranges over kant s epistemology ethics political philosophy aesthetics and philosophy of religion and explores his legacy

for german idealism valuably the book provides a way through kant s often impenetrable prose written with students in mind and tailored to meet their specific needs this is a reliable authoritative and illuminating guide to one of the central pillars of modern philosophy

paul ricoeur was one of the giants of contemporary continental philosophy he also knew and drew upon the analytic tradition over a long life he pursued questions of philosophical anthropology as they relate to a good life lived with and for others in just institutions his work has been translated into numerous languages and widely discussed by legal theorists historians literary critics and theologians as well as philosophers ricoeur a guide for the perplexed is the ideal text to support anyone trying to reach a firm understanding of this important contemporary philosopher the guide locates ricoeur s output in its historical and intellectual context provides an overview of ricoeur s central ideas and defines carefully the key terms in his philosophical writing close attention is paid to each of ricoeur s major works including the conflict of interpretations and from text to action ricoeur s importance for particular disciplines including literary criticism social theory political philosophy and theology is explained and explored above all this guide for the perplexed offers constructive and illuminating suggestions for how to read ricoeur a major contribution to ricoeur scholarship in its own right it is also an invaluable companion to be read alongside ricoeur s own works
