for business investors in china the legal handling of trade secrets is often crucial however initiatives are often complicated by a patchwork trade secrets protection system pieced together haphazardly over the last two decades and drawing on disparate elements of competition law contract law employment law

and criminal law that diverges in significant ways from global standards and corresponding regimes in other countries now at last interested parties can benefit richly from a thorough and practical approach to the subject this detailed analysis of china s trade secrets law provides in depth information and guidance on such important factors as the following the current framework of china s trade secrets law its past development and its ongoing trends legal comparison of china s trade secrets law with various international regional and national schemes what constitutes trade secrets infringement in china and what remedies are available and the legal interaction in china between employment relations and trade secrets protection the author pays close attention to judicial practice and precedent in the areas of civil remedies criminal punishment and administrative penalties she also offers insightful proposals formulated to align china s trade secrets law more efficiently with prevailing global standards and generally improve the mechanisms for its implementation corporate counsel and international lawyers concerned with intellectual property rights or labour law in china will greatly appreciate the knowledgeable guidance this book affords they will gain a deeply informed perspective that allows them to avoid infringement to battle it effectively if occasion arises and to plan dispute resolution strategies for contingencies involving trade secrets protection in china

this collection comprises eighteen contemporary articles on an often overlooked but important field of intellectual property law trade secrets and undisclosed information divided into five parts the selected articles examine various aspects of trade secret law including its historical development and the range of theories and justifications for trade secret protection the material also provides a detailed exploration of the scope and limits of trade secret protection and addresses how trade secret issues arise in a number of contexts including employment governmental relations and the internet

the development of laws concerning the protection of trade secrets in china is a reflection of the ongoing needs and demands of the great changes in the chinese economy this paper offers a historical overview of the development of trade secret protection laws in china and examines how the changes in the concept of property ownership in china at different stages the chinese law against unfair competition and the influence of foreign sources especially the trips agreement and the us trade secrets law shaped the development of trade secrets protection in china the paper proffers some observations upon the uncertain distinction between secrets seen as state property and the recognition of private civil commercial trade secrets

edited by leading ip practitioner trevor cook from bird bird this important title demystifies the law of trade secrets in over 30 jurisdictions covering substantive and procedural aspects of both criminal and civil law and exploring the final remedies available designed to provide clear comprehensive and practical guidance this is a powerful tool for anyone requiring a broader and fuller understanding of trade secret protection globally

trade secret protection has long been of critical strategic importance to business interests and globalization of commerce has driven an increasing need to

govern the preservation of confidentiality in international business transactions this book off

practical advice on all drafting and litigation problems associated with restraint of trade is provided by this comprehensive handbook detailed guidance is given on such aspects as employment contracts business sales partnerships and joint ventures breach of contract and commercial contracts
