Latin stories is an ideal first reader for students of Latin. It offers 100 self-contained passages of manageable length chosen for their intrinsic interest and adapted from a wide range of ancient authors. Generous help is given with a short introduction to each story and glossing of all proper names and non-GCSE vocabulary. The collection will also be attractive to older students beginning or returning to the language, updated to match the 2016 OCR specification. This edition has been restructured to reflect the new examinations which now have a single language paper. Section 1 provides 30 passages starting with very short and simple stories and building up to the level of the current OCR GCSE. Section 2 provides 30 differentiated passages of increasing difficulty on historical and miscellaneous topics. Section 3 provides 20 shorter passages of uniform length on mythological topics with comprehension questions in the style of Section A of the new GCSE language paper. Section 4 provides 20 passages on historical topics with comprehension and unseen sections in the style of Section B of the new GCSE language paper. The new edition is supported by a companion website with an answer key and additional passages.
