canada business law handbook strategic information and basic laws

appropriate for one semester courses in administrative law at both college and university levels legal concepts and canadian business applications are introduced in a concise one semester format the text is structured so that five chapters on contracts form the nucleus of the course and the balance provides stand alone sections that the instructor may choose to cover in any order we've made the design more reader friendly using a visually appealing four colour format and enlivening the solid text with case snippets and extracts the result is a book that maintains the strong legal content of previous editions while introducing more real life examples of business law in practice

business law in canada tenth edition provides future business professionals with a strong and practical legal grounding on the issues that touch every business the new edition reflects the most current developments in business law as well as the increasing importance of information technology the internet intellectual property and legal issues concerning small businesses note mybuslawlab is not included with the purchase of this product

this is an open access title available under the terms of a cc by nc nd 4.0 license it is free to read download and share on elgaronline thanks to generous funding support from the lund university library this research handbook adopts an interdisciplinary approach to examine the nexus between competition law and corporate law engaging with legal systems across the americas asia and europe it explores topical issues at the intersection of these subjects such as the purposes underpinning competition and corporate law the boundaries of the firm corporate organisation and its effects on

competition and the interplay between corporate governance compliance and antitrust enforcement

breen ellis stephenson canadian business law today first edition is an exciting new ground up product specifically designed for canadian college courses or for instructors that want concise business law coverage fundamental topics of canadian business law such as the court and legal system tort law contract law employment law property law and business organization are introduced and discussed with an emphasis on active learning to engage students canadian business law today contains current canadian examples legal scenarios and case studies along with comprehensive instructor resources to suit a variety of teaching and learning styles

the objective of contemporary canadian business law is to inform and educate business law students who will need to identify when legal advice may be required. This is relevant to business students through the inclusion of pedagogical elements such as case in point business law in practice front page law boxes and rights wrongs and ethics boxes. New features are shaded examples within the text, checklists and business ventures in quebec boxes. These boxes illustrate how legal outcomes can be significantly different in quebec. The landmark cases have now been integrated into the text as court decisions. The focus of many canadian business law courses is to provide students with an understanding of the dynamic legal system and the issues relevant to doing business in canada. The improvements to this edition enhance currency, accuracy and readability of the material.

the 6th canadian edition of duplessis canadian business and the law is the preeminent resource for students who require an understanding of the legal system as it relates to business. What circumstances place an individual and an organization at legal risk and more importantly what they can do to manage and minimize that risk. Only concepts that directly pertain to the management of a business enterprise are presented in this resource. These concepts are delivered through new real world examples of the application of the law as well as the latest canadian cases and legislation.
