when the protocols of the learned elders of zion were first discovered freemasons and zionist jews everywhere screamed and complained that these 24 protocols are a hoax a forgery even a blood taint against the jews but then came the brutal and barbaric communist bolshevik revolution in russia and its captive republics led by covert masonic jews lenin trotsky kaganovich and others the cruel and sinister crimes of the cryptojew revolutionaries seemed to have jumped off the pages of the protocols the red terror with its torturous massacres of innocent people its monstrous gulag concentration camps and the setting up of a jewish

dictatorship also followed the agenda of the protocols as did the persecution everywhere of christians and churches the entire world witnessed horrors that were a direct result of the heinous prescriptions laid out earlier in the protocols find out how the protocols are still being worked in our day and how our freedoms even our very lives are in jeopardy

the protocols of the elders of zion was supposedly written in 1897 from the minutes of 24 secret meetings between jews and freemasons in which they conspired to bring down western civilization and jointly rule the world in reality it is nothing of the sort protocols tells of a jewish plot to take over the world historians have long said the work is a forgery concocted by czar nicholas ii s secret police to blame russia s troubles on jews in 1921 philip graves of the london times revealed the protocols to be a fraud showing it to be based on a french satire aimed at napoleon iii professor nilus was a priest in the orthodox church in russia he published the first russian language edition in 1905 in 1920 henry ford bought the dearborn independent a virile and very independent journal published in his home town he used it to publish the protocols of the elders of zion and a series of articles about the book as part of his series of 81 articles between 1920 and 1922 on the jewish question in america which he called the world s foremost problem the dearborn independent was distributed nationwide to ford dealer showrooms and was offered free of charge to the general public the relevant articles are collected here so that the whole can be studied at one time this book is an important document in the history of anti semitism and has been used as required reading in many university anti semitism courses

the modern world s most consequential conspiracy text was barely noticed when it first appeared in a little read russian newspaper in 1903 the message of the protocols of the elders of zion is straightforward and terrifying the rise of liberalism had provided jews with the tools to destroy institutions the nobility the church the sanctity of marriage whole soon they would take control of the world as part of a revenge plot dating back to the ascendancy of christendom the text ostensibly narrated by a jewish leader describes this plan in detail relying on centuries old anti jewish tropes and including lengthy expositions on monetary media and electoral manipulation it announces jewry s triumph as imminent the world order will fall into the hands of a cunning elite who have schemed forever and are now fated to rule until the end of time it was a fabrication and a clumsy one largely copied from the obscure french language political satire dialogue aux enfers entre machiavel et montesquieu or the dialogue in hell between machiavelli and montesquieu by maurice joly zipperstein steven j the conspiracy theory to rule them all in the atlantic august 25 2020 see theatlantic com politics archive 2020 08 conspiracy theory rule them all 615550

reprint originally published in 1920 by eyre spottiswoode paperback 95 p the protocols of the elders of zion is a tract alleging a jewish and masonic plot to achieve world domination purportedly written by a secret group of jews known as the elders of zion the document underlies 24 protocols that are supposedly followed by the jewish people the protocols has been proven to be a forgery the forgery contains numerous elements typical of what is known in literature as a false document a document that is deliberately written to fool the reader into believing that what is written is truthful and accurate even though in actuality it is not it is also

one of the best known and most discussed examples of literary forgery with analysis and proof of its fraudulent origin going as far back as 1921 the forgery is also an early example of conspiracy theory literature written in the first person singular the text embodies generalizations truisms and platitudes on how to take over the world take control of the media and the financial institutions change the traditional social order etc it does not contain specifics

protocols of the elders of zion is one of the most controversial works in the past 100 years it claimed to be a book written by the elders of zion a jewish cabal planning to take over the world it contains their plans for world domination and detailed account of the condition of the world once they have succeeded in their goals to rule it modern historians generally claim that it is a forgery used primarily as a propaganda tool by the russian court to prevent what would later become the russian revolution of 1917 but the writer of the introduction of this volume makes an effort to dispute such a belief

the protocols of the learned elders of zion the most notorious and most successful work of modern anti semitism the protocols of the elders of zion or the protocols of the meetings of the learned elders of zion is an antisemitic fabricated text purporting to describe a jewish plan for global domination the forgery was first published in russia in 1903 translated into multiple languages and disseminated internationally in the early part of the 20th century according to the claims made by some of its publishers the protocols are the minutes of a late 19th century meeting where jewish leaders discussed their goal of global jewish hegemony by subverting the morals of gentiles and by controlling the press and the world s economies henry ford funded printing of 500 000 copies that were distributed throughout the us in the 1920s adolf hitler was a major proponent it was studied as if factual in german classrooms after the nazis came to power in 1933 despite having been exposed as fraudulent by the times of london in 1921 it is still widely available today in numerous languages in print and on the internet and continues to be presented by some proponents as a genuine document table of contents protocol i the basic doctrine protocol ii economic wars protocol iii methods of conquest protocol iv materialism replaces religion protocol v despotism and modern progress protocol vi take over technique protocol vii world wide wars protocol viii provisional government protocol ix re education protocol x preparing for power protocol xi the totalitarian state protocol xii control of the press protocol xiii distractions protocol xiv assault on religion protocol xv ruthless suppression protocol xvi brainwashing protocol xvii abuse of authority protocol xviii arrest of opponents protocol xix rulers and people protocol xx financial programme protocol xxi loans and credit protocol xxii power of gold protocol xxiii instilling obedience protocol xxiv qualities of the ruler 10 is it possible for any sound logical mind to hope with any success to guide crowds by the aid of reasonable counsels and arguments when any objection or contradiction senseless though it may be can be made and when such objection may find more favor with the people whose powers of reasoning are superficial men in masses and the men of the masses being guided solely by petty passions paltry beliefs traditions and sentimental theorems fall a prey to party dissension which hinders any kind of agreement even on the basis of a perfectly reasonable argument

the protocols of the elders of zion or the protocols of the meetings of the learned elders of zion

is a jewish plan for global domination it was first published in russia in 1903 translated into multiple languages in the early part of the 20th century henry ford funded printing of 500 000 copies that were distributed throughout the us in the 1920s the protocols document the minutes of a late 19th century meeting of jewish leaders discussing their goal of global jewish hegemony by subverting the morals of gentiles and by controlling the press and the world s economies

of all the libels that have served as a means of incitement of hate against jews and as intellectual justification of anti semitism the myth of the so called jewish conspiracy to gain domination of the whole world as embodied in the forged protocols of the elders of zion is probably the most devious and the most dangerous previously only analyzed in academic footnoted studies the history of the protocols is presented here by judge hadassa ben itto in an eminently readable fascinating account telling the stories of the numerous people involved over the hundred years that the forgery has existed above all this is the story of a judge who follows the protocols into lawyers chambers and into courtrooms in switzerland in south africa in germany in the united states and in russia and presents the reader with a detailed critical analysis of legal proceedings which culminated in fascinating courtroom drama the truth is revealed again and again but the lie wouldn t die
