the stocks that trade in the penny stock market often provide opportunities for 20 or greater returns in minutes to days not years case in point on december 18 2012 we alerted our members to superior venture corp sven on our free daily stocks to watch list that day the stock vaulted 183 from the previous days close now honestly when is the last time you heard of a stock that trades on the larger market gaining 183 in a year let alone in a single day what accounts for these explosive moves penny stocks are generally not covered by analysts or large investment firms because of this companies that reside in this market typically gain exposure and public interest in their stock by investing in large scale promotional campaigns i'm sure you have received numerous promotional

campaigns like this in the mail from time to time an interesting thing happens when these campaigns are released the next time you receive such a promotional campaign take the time and look up the stock you will probably notice that the stock had moved up significantly prior to the time you physically received the ad why because those that paid often great sums of money for monthly subscriptions to those companies that produce and promote the actual campaigns get a heads up before these ad campaigns are released and take position early on in the early phase of the promotion more and more people take position moving the stock price higher by the time the mass of the general public you receive the ad the stock price has already made the bulk of its move and all too often when the general public you take position it's too late the best way to invest in penny stocks therefore is to buy them before they are heavily promoted and hyped up in price that's where we come in in our manual learn how professionals trade the penny stock market we will show you a step by step method of how to find those penny stocks that will be heavily promoted or those already in the early phase of heavy promotion the bottom line you will learn how to get into the stock at the early phase of that promotional campaign and where real money can be made like those that pay a great deal of money for the privilege of knowing ahead of time which stocks are being heavily promoted you too can buy them ahead of the big pr campaigns and wait to cash in with the big run up that typically follows the release of the campaign to the general public now for the good news we've done all the hard work for you you will learn our proprietary method of analysis on how we scan over 12 500 equities every day searching for those penny stocks microcap stocks poised to breakout and make explosive gains you will find our track record of success which we proudly post at the end of each day of trading on our site is proof that our methodology at trading pennies.com by no means ordinary
