the little known story of a fierce rebellion against the romans a very good read for anyone interested in ancient military history and historiography the nymas review in the year ad 9 three roman legions were crushed by the german warlord arminius in the battle of the teutoburg forest this event is well known but there was another uprising that rome faced shortly before which lasted from ad 6 to 9 and was just as intense this rebellion occurred in the western balkans an area roughly corresponding to modern croatia bosnia and herzegovina slovenia montenegro and parts of serbia and albania and it tested the roman empire to its limits for three years fifteen legions fought in the narrow valleys and forest covered crags of the dinaric mountains in a ruthless war of attrition against an equally ruthless and determined foe and yet this conflict is largely unknown today the great illyrian revolt is believed to be the first book ever devoted to this forgotten war of the roman empire within its pages we examine the history and culture of the mysterious illyrian people the story of how rome became involved in this volatile region and what the roman army had to face during those harrowing three years in the balkans

redrawing the historical past examines how multiethnic graphic novels portray and revise u s history this is the first collection to focus exclusively on the interplay of history and memory in

multiethnic graphic novels such as *Interplay* enables a new understanding of the past. The twelve essays explore Matt Johnson and Warren Pleece's *Incognegro*, Gene Luen Yang's *Boxers and Saints*, Gb Tran's *Vietnamerica*, Scott McCloud's *The New Adventures of Abraham Lincoln*, Art Spiegelman's *Maus*, Work and G. Neri and Randy Duburke's *Yummy: The Last Days of a Southside Shorty*, among many others. The collection represents an original body of criticism about recently published works that have received scant scholarly attention. The chapters confront issues of history and memory in contemporary multiethnic graphic novels employing diverse methodologies and approaches while adhering to three main guidelines: first, using a global lens, contributors reconsider the concept of history and how it is manifest in their chosen texts; second, contributors consider the ways in which graphic novels as a distinct genre can formally renovate or intervene in notions of the historical past; third, contributors take seriously the possibilities and limitations of these historical revisions with regard to envisioning new, different or even more positive versions of both the present and future. As a whole, the volume demonstrates that graphic novelists use the open and flexible space of the graphic narrative page in which readers can move not only forward but also backward, upward, downward, and in several other directions to present history as an open realm of struggle that is continually being revised. Contributors: Frederick Luis Aldama, Julie Buckner, Armstrong Katharine Capshaw, Monica Chiu, Jennifer Glaser Taylor, Hagood, Caroline Kyungah Hong, Angela Lafien, Catherine H. Nguyen, Jeffrey Santa Ana, and Jorge Santos.
