in learning in a time of division educators share the ways in which their practice has enshrined viable ideas about how to bridge divisions and facilitate learning thereby contributing to reuniting a polarized world

this volume presents proceedings from the first international curriculum conference

by the csmc it features high quality papers from china japan korea and singapore on their centralized mathematics curricula and differentiated education for students around grade 10 or 11 each paper includes an author biography for context

through 15 mystery stories this book memorably illustrates science concepts for students and reinforces the value of learning science through inquiry each mystery presents opportunities for students to create questions form hypotheses test their ideas and come up with explanations focused on concepts such as periodic motion thermodynamics temperature and energy and sound these mysteries draw students into the stories by grounding them in experiences students are familiar with providing them with a foundation for classroom discussion and inquiry

this book helps new faculty graduate students and academics improve their writing and get published it covers writing journal articles dissertations grants and more authors share their experiences discussing voice audience planning drafting revision style and the publication process

there is much discussion of multiculturalism in education this is especially true of multicultural literature for children and young adults the rise of multicultural literature is a political rather than a literary movement it is a movement to claim space in literature and in education for historically marginalized social groups rather than one to renovate the craft of literature itself multicultural literature has been closely bound with the cause of multiculturalism in general and thus has been confronted with resistance from conservatives this book discusses many of the controversial issues surrounding multicultural literature for children and young adults the volume begins with a look at some of the foundational and theoretical issues related to multicultural literature the second part of the book addresses issues related to the creation and critique of multicultural literature including the authorship of such works and the role of the reader in determining whether or not a work is multicultural the third looks at the place of multicultural literature in the education of children and young adults throughout its discussion the book makes extensive references to a large body of multicultural fiction and provides a thorough review of research on this important topic

in this essay collection scholars in the area of early literacy provide concrete strategies for achieving excellence in literacy instruction the collection presents current research based information on the advances and refinements in the area of emerging literacy and the early stages of formal instruction in reading and writing
