he's 100 percent boy and I just don't understand him. Angela Thomas, bestselling author of 52 Things Kids Need from a Mom, gets it. The mother of four children, Angela brings wisdom, humor and compassion to her new book for moms. Find encouragement and inspiration as she lays out 52 creative ways to help you connect with your son's heart. Discover how to cheer him on from the sidelines, hear his heart when it hurts, teach him strength and leadership, make memories that last a lifetime, lead with God's love one week at a time, learn new ways to engage with your son and raise a godly young man. This fun, guilt-free resource will help you delight in the small moments that make for an abundant life.

Each of 12 weekly sections in this book is built around a parable which is then divided into daily devotions that contain a contemporary story, a Bible verse, questions to think about, a prayer suggestion and room for a private journal entry.

When a family is headed by two women (which one is the mommy if two dads show up at the soccer game? What do you tell your teammates as families evolve into new constellations the

practical challenges attached to raising children are enormous there may be custody disputes public queer bashing and other forms of homophobic intolerance that the whole family is forced to endure this empathetic guide offers gay and lesbian parents some real life parenting solutions to the many obstacles they encounter through examples and interactive exercises author stephanie brill encourages parents to think their way through conflict and find ways to define and protect their family and nourish a proud and loving household there is plenty of concrete advice to help readers present their families with pride and to teach children to resist gender stereotyping the author deftly handles loaded issues such as coming out finding culturally sensitive childcare and making decisions about spirituality and family celebrations the special concerns of single parents and the complications of breaking up are addressed as well

in this explosive book dr socarides an early and persistent advocate of civil rights for homosexuals dares to relate how gay politics has sold society on the notion that same sex sex is a normal variation like left handedness

this book is a comprehensive look at the results of a study done under the auspices of kent state university that explored the attitudes beliefs and life orientation of 253 women between the ages of 25 and 45 depending upon the amount of employment that the subjects mothers had outside the home while the subjects were growing up the adult subjects responded to questions of adjustment to life overall sense of well being emotional stability and sense of self fulfillment the overwhelming response was that women whose mothers had worked while they were growing up were more likely to suffer from depression to feel less effective as parents and to report less satisfaction with their parenting skills careers and life in general contrary to perceived notions of family adjustment to working mothers day care and women s liberation this study forces us to respond to the warning signals issued by a generation of the daughters of working mothers while sugar s findings are clear and unambiguous she provides ample information for the reader to explore other interpretations of the data and the cause and possible solutions

drawing on articles appearing in popular women s magazines from 1950 to 1989 this study documents changes in justifications of gender based divisions of labor in the home and workplace the study details the types of rationalizations that have been used to reconcile one new familial arrangement two parent workers with traditional gender values that promote men as breadwinners fathers and women as housewives mothers the study reveals that changes have taken place only within the context of being a good mother a serious analysis of women s burden of being both breadwinner and homemaker therefore has not occurred women s magazines serve as moral guides for their readers providing justifications for both working and nonworking readers they rely heavily on experts to provide personal direction to their readers this work is in the same vein as susan faludi s backlash which examines the use of the media in the control of gender ideologies
