this volume collects the materials underlying the international colloquium conciliation in the globalized world of today held on 11 and 12 june 2015 in vienna under the auspices of the court of conciliation and arbitration within the osce the aim of the colloquium was to examine the merits and possible shortcomings of this method of conflict resolution

and it concluded that the pros heavily outweigh the cons this volume therefore draws the attention of everyone dealing with conflict management to those advantages it does not end by providing a summary of conclusions to be drawn from the examination of the rules governing the osce court and the practice of the other institutions considered the reader will have to find out her himself what experiences have been made in other fields where conciliation has been institutionalized as a dispute settlement procedure in this regard the present book constitutes a treasury of lessons that cannot easily be brought down to a common denominator

this book gathers contributions by twenty five world class practitioners leading academics adjudicators and civil servants in the field of wto litigation investment arbitration and commercial arbitration it provides a practical cross cutting analysis of the different dispute settlement mechanisms that exist in international trade and investment and offers valuable insights into how to use best practices among the three systems the book addresses the critical areas of overlap that exist in the three disciplines including management of parallel proceedings and role of politics and pressure points within host governments selection and appointment of arbitrators panels and appellate body members use of experts and economics search of the applicable law interpretation of the national treatment principle and other substantive standards and legal tests methods of redressing moral damage regimes of review appeals and annulment enforcement systems of awards implementation of wto law and other legal remedies and allocation of costs in addition to being the first in depth exploration of the interaction among wto litigation investment arbitration and international commercial arbitration this book brings a singularly practical perspective to bear on the three dispute settlement mechanisms and how each can be used to best advantage

vol for 1958 includes also the minutes of the final general assembly of the united presbyterian church of north america and the minutes of the final general assembly of the presbyterian church in the u s a both titles in old catalog

this book analyses how arbitrators make rules that guide constrain and define the process and substance of international arbitration providing a thorough and multidisciplinary analysis of the actors process and outcome of arbitral lawmaking the study shows how arbitrators create principles of law through consistent arbitral decision making and through interacting with other members of the arbitral community this book investigates and responds to the following questions what is the relationship between international arbitration and the law and courts of the seat what is the role of international tribunals in assisting and controlling investment arbitration what is the scope of arbitrators freedom in decision making what constraints limit arbitrators decision making and contribute to consistency is international arbitration capable of paying deference to past arbitral decisions which rules have arbitrators created in procedural and substantive matters what is the role and status of consistent arbitral decisions is there an arbitral legal system the answers to these questions are drawn from actual arbitral decisions made available to the public clarifying important issues about jurisdiction procedure applicable law interpretation of substantive rules and instruments and remedies this is the first overarching study of whether and to what extent international commercial and investment arbitrators create norms and even generate a legal system as such it will be of immeasurable and lasting value to arbitrators practitioners scholars arbitral institutions and international organizations worldwide for all of whom it will not only clarify our understanding of arbitral decision making and arbitrator made rules but also foster transparency and accountability in arbitral decision making
