in this book i am trying to explain the energies of nakshatra and how does the moon behaves and gives results on 27 nakshatras and its padas it will be a good learning if we know how does it effects our personality and thinking every person born at that time moon will be in any of 1 pada of 27 nakshatras it gives them unique personality my efforts here is to explain that details through this book all advance astrologer will find this book very effective with my more than 1 decade of experience i am writing this book i have seen this common personality and effects in many horoscope

with my experience in astrology i am bringing this research to all about how planets might behave in each nakshatra it will help you analyse and further research on astrology and will also give you wisdom about planets and nakshatras this book will help you understand how planets behave in nakshatra padas

this book is about philosophically decoding horoscope through the mythological stories of nakshatras with a unique amalgamation of medical astrology and d60 it is a humble attempt to introduce the eternal wisdom of various vedic ideas including atman paramatma karma and dharma from our sages the author endeavors to explain cosmic energies in the universe but also show how the teachings of the vedas can be used to lead a blissful life amid the present day chaos stress and confusion the activation of seven human chakras results in achieving everlasting blissful life from the cosmic energy that enters the human body located along our spine and explains how this cosmic energy in the form of spectrum colors light of varying wavelengths resonate with each of the seven main chakras of the human body if chakras are blocked or unbalanced then it can lead to diseases and create obstacles while realizing your dreams it seems very unreasonable that one person enjoys good health and wealth and the other suffers yes there are very strong karmic reasons for the disease and misfortune prarabdha is the allotted karma for this life which we have carried forward from past lives in our body mind emotions and manifestations in the form of electromagnetic waves around us which are the karmic particles of past lives this book is a very easy and handy guide for everyone anyone can decode their horoscope by applying astrological principles with mythology the intent of writing this book is not to claim to change someone's future but to help nurture and transform a native's future by doing karmic deeds so that they can sail through easily in their lives this book is not about predictive astrology it is about sharing the philosophy of life that one has to adapt to lead a sin free life

jyotish research articles vol 1 is the culmination of 15 years of dedicated research and practice in vedic astrology this comprehensive volume brings together a collection of

articles published in esteemed astrological magazines covering a spectrum from foundational principles to in depth analyses of astrological concepts each principle discussed in the book has been meticulously tested and verified using sample horoscopes ensuring practical applicability the book introduces innovative methods for calculating navamsa hora lagna and other crucial astrological parameters it also presents a unique study on determining gender from a horoscope and offers ready reckoners for swiftly identifying the navamsa of a given planet whether you are a novice seeking fundamental insights or an experienced astrologer looking for advanced research backed methodologies this book serves as a valuable resource in the field of jyotish

in this book i have tried to explain the shakti or power of nakshatra and how each ascendant will give results if rising sign falls in different nakshatras there are 27 nakshatra in vedic astrology when ascendant falls in these nakshatra based on shakti of nakshatra if effects the personality of individual this book is for advance astrologers these effects are noted based on experiense and reseach on various horoscope also i have given lot of attributes of nakshatra at the end of the book

money is prosperity the book introduction to vedic astrology volume i is a unique book which is very informative and also easy to understand one book is truly the equivalent of several books on vedic astrology you can make predictions of horoscope for you or any member of your family with the help of this single book this provides some of the elementary and in depth essential elements on complete horoscope predictions through vedic astrology all the basics on vedic astrology are explained in detail astrology is not knowing your future but planning your future by averting the misshapenness by action in the right muhurata and at the right time wearing gems

wearing yantras chanting mantras and prayers it is important to realize that success comes only with the right actions at the right timing the whole secret of astrology is right timing this book provides the best times for successful ventures such as starting a business buying a home or investing in the stock market jp morgan made a fortune using astrology for right timing this knowledge is made available to you through this book by using the book your life will be more prosperous than ever before it is important to work smartly but not hard this book gives you the followings it is important to work smartly but not hard this book provides you with the followings 1 the prospective tools to make your life more rewarding 2 career and love life at its ultimate zenith 3 guidelines to ever dream of becoming a star 4 discovering your financial fortune in life 5 secrets of looking at the best you can be every day 6 start a professional practice and setting your fees 7 horoscope predictions of any person enormous books are available in the market each one covering one or two topics on astrology in the developed countries like america france japan germany and britain plenty of books on astrology are available covering one or two topics but it cost much more than our buying capacity one has to read many books to master on astrology and also to predict the individual horoscope chart our life is speedy it is ever active and is changing every moment each one of us is facing difficulty at every step this book will facilitate to reach your destination by moving ahead with ease even in the storming situation this is so much strife and struggles in the present time as it was never before this is a time of ready made food and fast food nobody has time to cook the food and then eat only this feeling motivated me and necessitated making this book this is easily approachable and compact it is full of all information at one place to be referred easily and quickly by anybody whether busy in any profession

dear reader i am here giving out 3 nakshatras that is ashwini bharani and krittika nakshatra it is based on ravana samhita all the planets how they behave in these nakshatra is given completely on work of ravana samhita

at a time when each society had its own medium of propagation of its researches in the form of transactions proceedings journals etc a need was strongly felt for bringing out a journal devoted exclusively to the study and advancement of indian culture in all its aspects this encouraged jas burgess to launch the indian antiquary in 1872 the scope was in his own words as wide as possible incorporating manners and customs arts mythology feasts festivals and rites antiquities and the history of india another laudable aim was to present the readers abstracts of the most recent researches of scholars in india and the west indian antiquary also dealt with local legends folklore proverbs etc in short indian antiquary was entirely devoted to the study of man the indian in all spheres introduction to facsimile volumes published 1985

nakshatra padas are very interesting topic to learn but in this book i am mentioning the notes which i use in daily prediction of horoscope based on planets in nakshatra padas these are very short notes and key points which has to be analysed along with other combinations in horoscope i hope you will love and enjoy reading price of this books is kept very low as these are personal notes to be used while predicting and i believe every reader will get some benefit from this i welcome everyone to my journey of astrology and divine knowledge
