this book tells the story of a life spent on the road recording the rich diversity of music in america when it was a major part of our lives not just digital background noise for music fans there was a golden era of live music stretching from the 1960s through the 1980s and even evolving into the 1990s if you want to be generous in the pre digital era music fans spent a large part of their free time and money listening to their favorite artist s recordings it was an analog world so if they wanted to hear the music they actually had to listen to the radio buy the records and go to the concerts popular artists had long performed live concerts in the major markets but it took rock n roll to make national touring a viable business touring sound systems grew from scratch to keep up with larger and larger venues likewise the ability to record those shows had to grow as well the rudimentary collection of semi professional gear grew into full blown remote recording studios to keep up with the demand for live records films and broadcasts the truly wonderful thing about the remote recording business was the author experienced so many different musical cultures where else could you go from recording a tour with the rolling stones to a tv special with mohamed ali at the apollo theater how about the season opening of carnegie hall on pbs tv with a different major orchestra every year to frank zappa s annual halloween show or maybe a yoko ono tour behind the 1980s iron curtain to the eagles in modern australia then there are worldwide live broadcasts like the academy awards and the grammy awards to intimate jazz settings with miles davis or wynton marsalis compare the grandeur of the metropolitan opera to the irreverent comedy of saturday night live on the road contains the stories of recording all that music live in its natural habitat the clubs theaters concert halls and arenas there were only a few companies that succeeded in the rough and tumble business of live recording the author was one of the most successful live recording engineers and the constructor of remote recording studios during that era with thousands of live shows to his credit

a celebration of trucks and trucking from the first motorised wagons to the advent of driverless freight vehicles charting decade after decade of innovation and change the truck book is a beautifully illustrated history of trucks trucking culture and the romance of the open road trucks lorries and vans share their origins in the steam wagons of the late 1800s and the invention of the modern combustion engine in the 1870s as steam power gave way to petrol and diesel engines trucks evolved and diversified according to their desired purpose becoming everything from panel vans and pick up trucks to heavy goods vehicles hgvs or construction trucks like log carriers or concrete transporters they have played a defining role in the wars of the last 100 years saved lives as ambulances and fire engines and even provided entertainment in the form of monster trucks in this book you will find chapters showcasing every era s most important and iconic marques and models from the ford tt to the bedford tm turbo 92 series to the toyota hilux information about trucking culture showing how trucks or trucking companies such as ups or eddie stobart have won a place in fans hearts gallery pages providing a historical and global overview of key vehicles from micro vans and pickups to american big rigs and earthmovers weaving together photographic catalogues with specially commissioned visual tours feature pages on truck models designers and manufacturers and milestone events or technological developments over the last 120 years the truck book is the best illustrated title available

circle home west is an old fashioned cowboy and indian tale set in the new west a contemporary western novel the book is the story of clinton anderson a long haul truck driver the last of the american cowboys like the cowboys who saddled horses and followed the cattle trails of the old west the modern cowboy outfits his truck and rides the interstate highways of the new west the radio serenades him with romantic song and fast talk seducing him like a barroom whore in a saturday night saloon marianne clinton anderson s wife of fourteen years believed that clint s truck had become his home and his mistress on a cool pacific northwest autumn morning after leaving his marital bed clint anderson walked out of his small puget sound bungalow not knowing what lay ahead to him it was another

workaday mundane monday morning but fate would have it different he would head out from seattle on a routine long haul run to denver only to find himself hijacked and deadheading headlong into the new wild west
