secrets of power negotiating 1987 reveals the track of the most powerful negotiators based on the most effective techniques for finding winning solutions for both sides of any given negotiation it teaches the most effective strategies for negotiating in a wide range of industries and situations whether you're buying a product or selling a service or just trying to reach an agreement with your partner you'll be able to use winning strategies with secrets to negotiating with confidence and a disclaimer this book is a summary it is meant to be a companion not a replacement to the original book

most books about power only deal with the societal formula of the few having power over the enormously larger powerless masses and which is mistaken as the so called natural order of power but it is not well understood that this formula also requires social conditioning measures aimed at perpetuating the continuing depowerment of the powerless so that the powerful can have power over them this in turn requires the societal suppression and secretizing of all knowledge about the superlative human powers known to exist in individuals of the human species but which are socially forced into latency in most it is broadly understood that power and secrecy go together but the scope of the web of secrets surrounding the larger nature of human power is surprising as discussed in this volume if secrets of power empowerment is difficult if the larger panorama of societal power and depowerment are not more fully understood

this collection of translations of the more important non canonical old testament books it is both accessible and completely up to date with modern scholarship edited with introductions and brief bibliographies it is suitable for general readers as well as for students
