this book analyzes the changing portrayal of gdr literature in german gymnasium textbooks 1985 2015 addressing the need for textbook research to broaden its focus from gdr history to gdr literature the author presents case studies of well known gdr

authors bertolt brecht johannes r becher anna seghers wolf biermann and christa wolf each examining a particular aspect of the societal discourse about gdr literature and the tension between literary text and historical context taken together the case studies reveal the frequently underestimated power of ideology in literature textbooks they also show how attempts to package these authors into simplified categories ultimately reveal the profound complexities of the gdr literary legacy by examining the clear tension between literature and politics in textbooks and curricula the author demonstrates how ideological messages are transmitted in all textbooks as well as the importance of attending to overt and covert ideology

a textbook of cost and management accounting provides the students with thorough grounding in cost concepts cost behaviour and methods and techniques of cost and management accounting with an understanding of the uses and limitations of cost and financial data for managerial operations the text of the subject matter has been presented in a student friendly simple and intelligible manner every discussion involving conceptual complexity is immediately illustrated by a numerical example in addition the book contains a liberal sprinkling of charts and diagrams so as to make the subject easily understandable and highlight its finer points the subject matter has been organized on first things first basis for its logical presentation that sustains interest the approach of the book is examination oriented thus a good number of problems and solutions have been included in its chapters theoretical and numerical questions have been mostly selected from various examinations objective type questions have been given to serve as self test by students this is an ideal book for self study new to this edition all chapters thoroughly revised latest information on cost accounting standards as issued by the institute of cost accountants of india icai chapter on miscellaneous topics made more contemporary by including some new sub topics and thus re named advanced cost management techniques revision and augmentation of practical problems

textbooks play a key role in enhancing the quality of learning especially in the context of low income sub saharan african ssa countries characterized by large class size poorly motivated and inadequately trained teachers and short effective school years there are also high rates of illiteracy among parents and few reading materials at home for the student to bank on despite extensive investments by governments the world bank and other development partners the majority of students in primary and secondary schools in ssa still lack the benefit of access to textbooks and the key reason for this shortage is affordability textbooks are generally much more costly in ssa than in other developing regions the need to increase access to key learning resources is of particular urgency because most african countries experience low learning outcomes which in part contributes to a high drop out rate only two thirds of

those who enter school reach the final grade and only about half of these master basic numeracy and literacy skills and although quality improvement depends on many factors inside and outside the school there is wide agreement that availability of textbooks is both an indispensable and a cost effective way of improving the quality of the learning process a recent world bank study examined the actual costs of textbooks the scope for cost reduction the portion of a national budget countries allocate to teaching and learning materials tlms and hurdles in the way of making textbooks available to student some interesting findings from the study the availability of affordable textbooks to all students could be dramatically improved by devoting an estimated 3 to 4 percent of the primary education budget and 6 to 7 percent of the secondary education budget the production process methods copyright length of print runs effective procurement practices rather than the production costs should be the target of cost saving strategies the increased integration of icts into education in ssa can provide important opportunities for promoting availability of electronic tlms but electronic tlms are not a substitute for printed tlms including textbooks
