big changes have been taking place in reading in recent years while american society has become more visual and digital the general state of literacy in america is in crisis with educators

and public officials worried about falling educational standards the rising influence of popular culture and growing numbers of non english speaking immigrants but how justified are these worries by focusing on reading this book takes a serious look at public literacy but chooses not to blame the familiar scapegoats instead the end of reading proposes that in a diverse and rapidly changing society we need to embrace multiple definitions of what it means to be a literate person
