this book the word i hate love is a collection of four stories and each story is unique in its own way each story has maintained its simplicity you may be wondering why i hate the word love but the answer lies in these four stories the journey of the story began with a small boy named akhriezo who was deprived of parenthood love since childhood and his quest to meet his parents began the second story my cloud fairy is a story of a young boy who met a stranger on a cold chilly winter night he thought love would hit him just once but helplessly fell in love with the stranger again the third story her secret story is all about the life story of kokhruya and the hardship she had embraced to survive in this cruel world the last story the unread letter is a love story of a small boy who fell in love with his classmate and also about his journey in writing the prefect proposal letter i hope these stories will surely leave an impact in your life it s a story beyond a story

speeches of praise and blame constituted a form of oratory put to brilliant and creative use in the classical greek period fifth to fourth century bc and the roman imperial period first to fourth century ad and they have influenced public speakers through all the succeeding ages yet unlike the other classical genres of rhetoric epideictic rhetoric remains something of a mystery it was the least important genre at the start of greek oratory but its role grew exponentially in subsequent periods even though epideictic orations were not meant to elicit any action on the part of the listener as judicial and deliberative speeches attempted to do so why did the ancients value the oratory of praise so highly in epideictic rhetoric laurent pernot offers an authoritative overview of the genre that surveys its history in ancient greece and rome its technical aspects and its social function he begins by defining epideictic rhetoric and tracing its evolution from its first realizations in classical greece to its eloquent triumph in the greco roman world no longer were speeches limited to tribunals assemblies and courts they now involved ceremonies as well which changed the political and social implications of public speaking pernot analyzes the techniques of praise both as stipulated by theoreticians and as practiced by orators he describes how epideictic rhetoric functioned to give shape to the representations and common beliefs of a group render explicit and justify accepted values and offer lessons on new values finally pernot incorporates current research about rhetoric into the analysis of praise

continuation of the reference work that originated with robert dodsley written and published each year which records and analyzes the year s major events developments and trends in great britain and throughout the world from the 1920s volumes of the annual register took the essential shape in which they have continued ever since opening with the history of britain then a section on foreign history covering each country or region in turn following these are the chronicle of events brief retrospectives on the year s cultural

and economic developments a short selection of documents and obituaries of eminent persons who died in the year
