serafini shows how you can help students learn to read so they want to

strategies and activities to develop an effective reading workshop program

as reading teachers how do we deal with the massive shifts that digital literacy is creating we can t abandon what we know works to keep up with the latest online literacy fads yet we need to prepare readers for a world of digital content reading workshop 2 0 gives us teaching that puts reading for meaning first while also balancing the need for kids to become sophisticated users of books as well as online reading resources this book writes frank serafini is designed to help teachers organize their reading workshops in order to take advantage of the latest technologies with his guidance you ll bring more digital reading into your teaching without sacrificing sound instructional principles or practices reading print shares four essential processes

with digital reading accessing and navigating archiving and sharing commenting and discussing and interpreting and analyzing frank introduces important well established digitally based resources that further these processes while his lesson ideas transfer learning from classroom to real world digital reading if it doesn't help children develop as readers writes frank serafini it doesn't matter how shiny the new object is with reading workshop 2.0 you'll help students with print while also helping them use online resources and technologies as they are intended to make sense of texts more deeply effectively and efficiently

in welcome to reading workshop structures and routines that support all readers brenda krupp and lynne dorfman bring their years of collective experience leading successful reading workshops to showcase the structures routines rituals and behind the scenes decision making that will have your reading workshop running smoothly and effectively within the pages you'll find ways to effectively use self-selected reading materials create mini lessons build time for reading conferences and small group work and use assessments to guide instruction in this practical guide you'll find tips and ideas to make these techniques immediately attainable including recommendation lists from much-loved books to classroom implementation suggestions easy to access video clips to extend learning expert contributions and tips from the field a rich appendix with templates lessons and resources reflection questions to promote collegial conversations whether you're a brand new teacher or seasoned veteran you're looking to try something new or working on refining your current reading workshops the authors welcome you to join them in an exploration of this powerful instructional model welcome to reading workshop will inspire you and your students with an excitement for reading that fosters engagement and builds life-long readers

workshops are deliberately kept simple and predictable like an art studio or a researcher's laboratory because it is the work itself that is ever-changing and complex each day's teaching in a workshop does not set up a new hoop for the students to all jump through in sync instead for the bulk of time during each day students carry on with their work as they do so they draw upon a growing repertoire of skills tools strategies and habit lucy calkins learn how to teach students to read with increasing sophistication and personal engagement and how lucy calkins and her colleagues launch a rigorous and responsive intermediate reading workshop through 2 foundational books a guide to the reading workshop and building a reading life and eight online video clips lucy and her colleagues provide the strategies lesson plans and tools you'll need to lead strong efficient reading workshops in upper elementary classrooms a guide to the reading workshop crystallizes the reading workshop after detailing the essential principles of reading workshop instruction lucy describes how to develop engaging minilessons that develop the skills of proficient readers in the chapters that follow lucy presents different ways to lead small group work and one-to-one conferences in addition to describing the predictable methods and structures of a reading workshop select chapters consider various ways to assess readers and track their development how to use data to inform your instruction and how to differentiate instruction and prepare for standardized reading tests building a reading life launches the reading workshop in this unit of study lucy and kathleen tolan pull out all stops in an effort to help all their students become avid readers they wear a love of reading on their own sleeves help students fashion their identities as people who care about reading and create a social life that revolves around shared books above all they help students develop a sense of agency about their reading lives taking responsibility for becoming the kinds of readers who not only make sense of books but also let books change their lives lucy and kathleen meanwhile induct children into the structures routines and habits of a reading workshop students learn how to choose books that are just right in level and interest to carry books between home and school to collect and study data about their reading rates and volume and to push themselves to read with increasing stamina

fluency and volume in reading partnerships children learn to retell and summarize texts and to share ideas that are grounded in the specifics of their books through the eight accompanying video clips lucy and other master teachers invite you to eavesdrop on their minilessons small group instruction and conferences dramatic video clips let you sit alongside young readers as they engage in book clubs reading partnerships and inquiry groups video clips are free for 6 months upon registration you must register within 6 months of purchase learn more about these resources and the units of study series at unitsofstudy.com this pack is part of first hand s getting started series bridging the gap between educational theory and practice first hand classroom materials model the carefully crafted techniques and language of master teachers in ways that help teachers refine their practice and reinvent their own teaching the most comprehensive of these resources span more than a year of instruction first hand s getting started packs were created for teachers in training and professional book study groups who want a compact affordable way to study and tryout these transformative classroom materials each getting started pack includes an overview book a complete unit of study online video clips provided free of charge for 6 months and an accompanying study guide getting started packs include launch a primary writing workshop grades k 2 launch an intermediate writing workshop grades 3 5 launch an intermediate reading workshop grades 3 5 introduce the qualities of writing grades 3 6 monitor comprehension with primary students grades k 2 monitor comprehension with intermediate students grades 3 6 investigate the number system grades k 3 investigate multiplication grades 3 5 investigate fractions grades 4 6

frank serafini has written extensively on the reading workshop and in talks around the country he s answered the tough questions about teaching through this powerful medium now in around the reading workshop in 180 days his most practical book to date serafini answers your most frequently asked questions and shows you the daily ins and outs of the workshop picking up where his bestselling titles the reading workshop and lessons in comprehension left off serafini gives you month by month strategies for running a reading workshop across an entire school year he provides everything you need to change the way intermediate and middle level students think and talk about reading including instructional strategies how tos for organizing ideas for lessons ways to connect reading and writing instruction assessment and evaluation techniques tips for helping students choose books lists of recommended children s literature for your students and recommended professional resources for you in addition classroom teacher suzette serafini youngs illustrates serafini s ideas with windows on the workshop classroom vignettes that bridge theory to practice and demonstrate with precision the teacher s role in workshop based reading instruction whether you re a thirty year veteran or a novice teacher go around the reading workshop in 180 days with frank serafini and take your students on a memorable journey into literacy

discusses reading comprehension and offers ways for teachers to develop it in their students exploring the cognitive and social aspects of comprehension while viewing it as an active process

when children come ot us at the start of the school year they don t necessarily come cherishing written language we see this in the books strewn under the coat rack grimy with footprints and in those snarled in the darkest recesses of chikldren s backpacks we see this in the child who tells us i read sixty two pages last night impressed we ask what happened in the story and he scrunches up his face and looks up at the ceiling saying uhhhh

everything you need to teach the first 20 days of reading workshop i am so excited to be bringing you this month long reading unit to launch your reader s workshop this year all the lessons come with teacher suggested language sample anchor charts and everything you need for each lesson is on one page what is included description of the reader s workshop ccss and teks

standards for every lesson for grades 2 6 20 complete lessons for the first month of reader s workshop sample anchor charts additional teacher support reproducible pages printable pdf digital version

practical instructional ideas lessons and differentiation strategies to support english learners in diverse classroom settings with classrooms that are more diverse than ever before how can we support english learners in ways that help them reap the same benefits from reading workshop that our english speaking students do lindsey moose draws on her years of experience in classrooms to provide answers to teachers most common questions about getting started in a linguistically diverse workshop setting she offers a wealth of practical ideas for supporting english learners through each component of the reading workshop with research based tips and guidance lindsey shares effective ways to modify your routines to meet the needs of every student in your classroom including planning and implementing units of study that are supportive of english learners providing guided learning experiences for english learners during independent workshop time creating learning opportunities for english learners to engage in meaningful experiences with both literature and informational texts lindsey s instructional ideas lesson examples children s literature suggestions and differentiation strategies give you all the tools you need to implement a reading workshop that is as effective for your english learners as it is for your english speakers

the third grade units were written to support the crucial transition children make from learning to read to reading to learn the opening unit building a reading life launches your students lives as upper elementary school readers children ramp up their reading skills by immersing themselves in within reach fiction books while working on word solving vocabulary development envisionment and prediction the second unit reading to learn grasping main ideas and text structures addresses essential skills for reading expository nonfiction such as ascertaining main ideas recognizing text infrastructure comparing texts and thinking critically as well as the skills for reading narrative nonfiction such as determining importance by using knowledge of story structure the third unit character studies lures children into fiction books teaching them to closely observe characters make predictions and sharpen their skills in interpretation the final unit research clubs elephants penguins and frogs oh my shows youngsters how to turn to texts as their teachers children work in clubs to gather synthesise and organize information about animals and then use this information to seek solutions to real world problems pearson com
