over 200 million americans disbelieve the warren commission report s conclusion that lee harvey oswald was a lone demented gunman t mack durham s suspense thriller reveals the identities of those with a motive to kill jfk based upon historically factual evidence

in 1995 on the thirtieth anniversary of tanizaki jun ichir s death adriana boscaro organized an international conference in venice that had an unusually lasting effect on the study of this

major Japanese novelist thanks to Boscaro's energetic commitment Venice became a center for Tanizaki studies that produced two volumes of conference proceedings now considered foundational for all scholarly works on Tanizaki in the years before and after the Venice conference. Boscaro and her students published an abundance of works on Tanizaki and translations of his writings contributing to his literary success in Italy and internationally. The "Grand Old Man and the Great Tradition" honors Boscaro's work by collecting nine essays on Tanizaki's position in relation to the great tradition of Japanese classical literature. To open the collection Edward Seidensticker contributes a provocative essay on literary styles and the task of translating *Genji* into a modern language. Gaye Rowley and Ibuki Kazuko also consider Tanizaki's *Genji* translations from a completely different point of view, documenting the author's three separate translation efforts. Aileen Gatten turns to the influence of Heian narrative methods on Tanizaki's fiction, arguing that his classicism far from being superficial reflects a deep sensitivity to Heian narrative. Tzvetana Kristeva holds a different perspective on Tanizaki's classicism, singling out specific aspects of Tanizaki's eroticism as the basis of comparison. The next two essays emphasize Tanizaki's experimental engagement with the classical literary genres. Amy V. Heinrich treats the understudied poetry and Bonaventura Ruperti considers a 1933 essay on performance arts taking up cinema. Roberta Novelli focuses on the novel *Manji*, exploring how it was recast for the screen by Masumura Yasuzō. The volume concludes with two contributions interpreting Tanizaki's works in the light of Western and Meiji literary traditions. Paul McCarthy considers Nabokov as a point of comparison and Jacqueline Pigeot conducts a groundbreaking comparison with a novel by Natsume Sōseki.
