summer 1936 a sunny day in kent a perfect afternoon for a garden party and everything seems right in the tranquil and ordered world of the jordan family but before the day is out that peace is shattered due to a war being fought in a country not their own summer 1940 london is at war and for the first time in the history of combat a civilian population is under attack from the air as a consequence also for the first time a generation of young men is

called upon to face the enemy not from within an organised force on land or on sea but in individual and lethal combat in the skies above the green fertile and until now peaceful fields of southern england the war was not of their making but the jordan family will do whatever it takes to save all that they hold dear the perfect family saga of love war and hope for fans of josephine cox lily graham and natasha lester

sunset is a collection of poetry from a crime fighting author who has previously published fictional novels on policing terrorism and the raging drugs culture paul anthony traces the life of a relaxed carefree teenager in the sixties to a man at the dawn of the twenty first century the journey captures an age of experiences peaceful and pleasant violent and murderous the voyage from one century to another smoothly results in a unique portrayal of the era in which we live from love and romance war and peace sorrow and surrender to private tears and unknown fears this is a a roller coaster of poetic emotion

after the peace examines peace agreements made in the period after the cold war and ways in which these agreements might be strengthened six studies are included that explore three major conflicts from a number of perspectives

history of peace demonstrates from 4500 years of history and case studies of more than 100 treaties resolving armed conflicts that even when peace seems impossible peace may still be possible even when the going seems hopeless and the night is dark hope is not yet lost history shows that again and again peace can break out from the darkest of nights from ancient mesopotamia to modern day peace processes this groundbreaking book explores humanity s enduring quest for peace history of peace offers profound insights into how mediators from world leaders to grassroots peacemakers have helped resolve armed conflicts save lives rebuild communities and foster economic growth through the power of dialogue and negotiation over the thousands of years from the beginnings of recorded time read about the treaty of mesilim c 2550 bce mesilim king of the sumerian city state of kish mediated a land and water boundary dispute between the nearby south babylonian cities of lagash and umma the treaty of kadesh 1259 bce between egypt and the hittites negotiated by intermediaries established one of the earliest known mutual defense pacts the peace of westphalia 1648 facilitated

by papal mediation revolutionized international relations by introducing the concept of state sovereignty the congress of vienna 1815 reshaped europe after the napoleonic wars with talleyrand s skilled mediation creating a balance of power that lasted nearly a century the treaty of versailles 1919 ended world war i but sowed seeds for future conflict highlighting the importance of inclusive mediation processes the camp david accords 1978 demonstrated the power of personal diplomacy and third party mediation by the us in resolving seemingly intractable disputes between egypt and israel the good friday agreement 1998 brought an end to decades of conflict in northern ireland through innovative power sharing arrangements facilitated by multi party mediation the aceh peace agreement 2005 in indonesia mediated by former finnish president martti ahtisaari ended a 30 year conflict and saved countless lives the comprehensive peace agreement 2005 in sudan mediated by the intergovernmental authority on development igad ended africa s longest running civil war the colombian peace agreement 2016 facilitated by norwegian and cuban mediation ended over 50 years of conflict between the government and farc rebels through vivid storytelling and expert analysis history of peace brings to life the dramatic moments when bitter enemies found common ground from napoleon and tsar alexander s fateful meeting on a raft in the neman river to modern day peace negotiations we will trace an arc of human progress in the vital art of conflict resolution a prime example is the treaty of portsmouth of 1905 which ended the russo japanese war u s president theodore roosevelt s mediation between russia and japan not only brought an end to a costly conflict but also elevated the united states role in international diplomacy as japanese diplomat jutar komura noted president roosevelt s impartial and energetic efforts have made possible what seemed impossible this treaty demonstrates how skilled mediation can bridge even the widest divides between adversaries but this book is more than just a chronicle of famous treaties it s a deep exploration of how mediation and diplomacy have evolved over millennia to become sophisticated tools for conflict resolution readers will learn the essential ingredients for successful peace negotiations how mediators bridge seemingly unbridgeable divides the role of economic incentives in cementing peace how to structure agreements for long term stability common pitfalls in peace processes and how to avoid them history of peace also highlights the crucial role played by grassroots peacemakers and civil society in nurturing reconciliation from the ground up through inspiring stories of ordinary people working for change it shows how everyone can contribute to building a more peaceful world with ongoing conflicts from ukraine to yemen threatening global stability the lessons in this book have never been more relevant whether you re a student

of history a policymaker a mediator or simply someone who cares about creating a better future history of peace offers invaluable insights into humanity's noblest endeavor key features comprehensive overview of peace treaties and conflict resolution from ancient times to the present in depth case studies of pivotal agreements that shaped world history analysis of evolving mediation techniques and diplomatic strategies exploration of the economic benefits of peace and post conflict reconstruction inspiring stories of grassroots peacebuilders making a difference lessons for addressing contemporary conflicts and global challenges this book is priced at an affordable price point to enable widest availability if this collection of inspiring stories how to make swords into plowshares saves even one life or brings happiness to a single person it will fill me also with hope and happiness knowing i've made a difference as the author david hoicka

this study investigates the role of civil society in forging sustainable peace in mindanao civil society s involvement in peace efforts can improve the chances of a lasting settlement both in terms of addressing underlying causes and in terms of building a constituency for the concessions needed for a peace agreement there are limitations to the effectiveness of civil society however due both to certain characteristics of these organizations such as their ideological divisions or their lack of representativeness of the whole filipino community and to the inherent nature of civil society its inability to aggregate interests in order to achieve a wider settlement in the end civil society can have an impact in making it politically possible for policy elites to adopt positions other than that of victory which seems to be the preferred policy stance of the general christian philippine citizenry through articulation of issues and networking through activities parallel to the formal peace process and through their efforts to bridge communal divides civil society organizations keep alive the prospect for peace in mindanao that sometimes seems forever elusive this is the seventeenth publication in policy studies a peer reviewed east west center washington series that presents scholarly analysis of key contemporary domestic and international political economic and strategic issues affecting asia in a policy relevant manner

how does a newly democratized nation constructively address the past to move from a divided history to a shared future how do people rebuild coexistence after violence the international idea handbook on reconciliation after violent conflict presents a range of tools that can be and have been employed in the design and implementation of reconciliation processes most of them draw on the experience of people grappling with the problems of past violence and injustice there is no right answer to the challenge of reconciliation and so the handbook prescribes no single approach instead it presents the options and methods with their strengths and weaknesses evaluated so that practitioners and policy makers can adopt or adapt them as best suits each specific context also available in a french language version

this document contains two lectures concerning the nature and status of peace studies adam curle in the scope and dilemmas of peace studies presents

1 the study of peace and related subjects 2 diversities and contradictions in peace studies 3 personal interpretations 4 teaching peace studies and 5 moral and practical dilemmas he urges people to recognize mankind's common traits and to eliminate or diminish those issues that are divisive in towards an understanding of concepts in the study of peace james o connell examines the linkage of concepts concerning peace justice and freedom and considers coexistence in the contemporary world in terms of the community of nations technology and arms control ideas and attitudes about the nature and extent of peace studies in academic environments are explored and peace is identified as a subject that civilization cannot afford to ignore jhp
