you may not have heard of praying the bible but that doesn t mean that concept is new in fact for centuries men and women have prayed the promises of the bible back to god one of the greatest reasons is that there is tremendous power in praying god s truths back to him but perhaps most of all we pray the bible because our hearts are radically changed when we focus on the desires of god and the magnificent truths in his word here are just a few of the many more reasons we should pray the bible when we mine the gold of god s word and enrich our prayers with scripture we remind ourselves of what god has said and are able to claim his promises we avoid the trap of praying the same old thing our prayer vocabulary is stretched and our prayers enlarged as we claim truths that are already settled in heaven we come to a more complete understanding of who god is and how he works in our lives we are able to more fully and lovingly express our thankfulness to the lord we openly agree with god s truth allowing it to change us and those we love we are rescued from our human limitations claiming bible truths keeps us from reducing god to our own small human expectations we shift the focus of our prayers from human needs

and feelings to god s character his promises his past faithfulness his goodness and even his extravagances with us we are assured that our prayers lie within and affirm god s will christian couples who want to pray for their marriage but aren t sure where to start will appreciate this practical solidly biblical approach also a great help for those who have been praying but feel like they re in a rut
