this comprehensive introduction to asia offers readers a clear overview of the continent from ancient times to the present

the importance of the study of the history of asia needs no special emphasis particularly with the emergence of japan china and india as major powers of this continent the present book history of asia is different from other books of this genre as it connects the ancient and medieval with the modern it deals with the account of each country in its geographical setting highlighting those incidents in neighbouring countries which have had some impact upon it the ancient and medieval periods cover topics like migration early settlements formation of kingdoms and empires socio

economic matters islamic penetrations and the advent of western powers the modern period is treated in great detail especially matters like colonisation impact of western civilization the rise of nationalism and the gaining of independence following the second world war current history which includes aspects like subversion of democracies the ushering in of military rule ethnic conflicts movements for the restoration of democracy oppression of minorities economic issues and the possibility of nuclear war right up to the end of the millennium has been dealt with in a fascinating way with maps and a bibliography to stimulate the reader s interest

a history of asia is the only text to cover the area known as monsoon asia india china southeast asia korea and japan from the earliest of times to the present written by leading scholar rhoads murphey the book s extensive analysis integrates the complex and diverse political social intellectual and economic histories of this area with an engaging and lively style of writing popular because of its scope and coverage as well as its illustrations maps and many boxed primary sources the new edition of a history of asia continues as a leader in the field of asian history

charles holcombe begins this extraordinarily ambitious book by asking the question what is east asia in the modern age many of the features that made the region now defined as including china japan and korea distinct have been submerged by the effects of revolution politics or globalization yet as an ancient civilization the region had both an historical and cultural coherence it shared a confucian heritage some common approaches to buddhism a writing system that is deeply imbued with ideas and meaning and many political and institutional traditions this shared past and the interconnections among three distinct yet related societies are at the heart of this book which traces the story of east asia from the dawn of history to the twenty first century charles holcombe is an experienced guide who encapsulates in a fast moving and colorful narrative the vicissitudes and glories of one of the greatest civilizations on earth

a history of asia is the only textbook to provide a historical overview of the whole of this region encompassing india china korea japan and southeast asia engaging and lively it chronicles the

complex political social and intellectual histories of the area from prehistory to the present day taking a comparative approach throughout the book offers a balanced history of each major tradition also dedicating coverage to countries or regions such as vietnam and central asia that are less frequently discussed in depth this eighth edition has been streamlined and updated to reflect the most recent scholarship on asian history bringing the book up to date with recent events and key trends in historical research highlights of the book include close up portraits of significant asian cities detailed discussion of environmental factors that have shaped asian history quotes from asian poetry and philosophical writing and attention to questions of gender and national identity highly illustrated with images and maps each chapter also contains discussion questions primary source excerpts and in depth boxed features written clearly throughout a history of asia is the perfect introductory textbook for all students of the history culture and politics of this fascinating region

charts the deep diverse history of the largest continent a history of asia is the only text to cover the area known as monsoon asia india china korea japan and southeast asia from the earliest times to the present written by leading scholar rhoads murphey the book uses an engaging lively tone to chronicle the complex political social intellectual and economic histories of this area popular because of its scope and coverage as well as its illustrations maps and many boxed primary sources the new edition of a history of asia continues as a leader in its field

written with rare mastery and a sure sense of the essential this concise general history of modern east asia offers students and general readers an understanding of this dynamic region from a global perspective it is the ideal introductory text for college survey courses in asian and international studies following an introductory discussion of the regional concept the first two chapters lay the foundations chapter 1 describes east asia s geographical human cultural economic social and political setting as it has evolved over the past several millennia and the three major belief systems confucianism buddhism and islam chapter 2 presents a panoramic view of the region ca 1800 the chapter introduces the dramatis personae the chinese japanese koreans vietnamese thai burmese

indonesians filipinos and others and describes their interactions with each other and with imperial china the following three chapters deal with european expansionism and east asians responses to the civilizational challenge the stirrings of nationalism in reaction to european colonial rule and the remarkable rise of imperial japan chapters 6 and 7 trace japan s bid to lead a pan asianist revolt against the twin threats of western liberalism and soviet communism and the ensuing pacific war chapters 8 and 9 span the cold war era from postwar u s hopes for a pax americana to the division of east asia into communist and anti communist blocs the sino soviet split and the sino american rapprochement of the early 1970s open the way to the east asian miracle and a resurgence of east asian regionalism surveyed in chapter 10 a concluding chapter considers the prospects for continued economic dynamism and the balance of nationalism and pan asian trends in shaping the future

the nations of asia now make up more than half of the world s population with increasingly affluent educated middle classes and vigorous innovative industries they are more populous and powerful than ever before and their influence on the rest of the world is only growing colin mason provides a clear readable introduction to their histories and traditions from the stone age right up to the present day this thoroughly revised updated and expanded third edition contains new chapters on mongolia nepal and bhutan separate expanded chapters on the south asian nations and revised chapters on all the modern states a new introduction explores the nature and implications of the new politics of guided democracy and the current clash between industrialisation and the consequences of climate change enriched with maps and a guide to further reading this book is the essential guide to the history of a fascinating continent and its peoples

here is a brief well written and lively survey of the history of southeast asia from ancient times to the present paying particular attention to the region s role in world history and the distinctive societies that arose in lands shaped by green fields and forests blue rivers and seas craig lockard shows how for several millennia southeast asians living at the crossroads of asia enjoyed ever expanding connections to both china and india and later developed maritime trading networks to the

middle east and europe he explores how the people of the region combined local and imported ideas to form unique cultures reflected in such striking creations as malay sailing craft javanese gamelan music and batik cloth classical burmese and cambodian architecture and social structures in which women have often played unusually influential roles lockard describes colonization by europeans and americans between 1500 and 1914 tracing how the social economic and political frameworks inherited from the past combined with active opposition to domination by foreign powers enabled southeast asians to overcome many challenges and regain their independence after world war ii the book also relates how malaysia singapore thailand indonesia and vietnam are now among the fastest growing economies in the world and play a critical role in today s global marketplace

six contemporary historians trace the development of distinctive cultural political and social institutions in southeast asia

there is no single volume that shines a light on asia s collective involvement in the first world war and the impact that war had on its societies moreover no volume in any language explores the experiences asian countries shared as they became embroiled with divergent results in the war and its repercussions asia and the great war moves beyond the national or even international level by presenting a shared history from non national and transnational perspectives asian involvements make the great war not only a true world war but also a great war the war generated forces that would transform asia both internally and externally asian involvement in the first world war is a unique chapter in both asian and world history with asian participation transforming the meaning and implications of the broader conflict asia and the great war also takes steps to recover memories of the war and re evaluate the war in its asian contexts asia s part in the war and the part the war played in the collective development of asia represent the first steps of the long journey to full national independence and international recognition this volume aims to bring the great war more fully into asian history and the people of asia into the international history of the war in the hope that the shared history could lay the groundwork for a shared future

throughout his distinguished career rhoads murphey has advocated an appreciation of the rich and unique aspects of asian history making his text an unparalleled success spanning the histories of china japan korea vietnam and parts of southeast asia east asia a new history furthers students knowledge by covering a breadth of topics including everyday life the environment and women in asian history book jacket

prepared under the auspices of the asia society includes japanese wood block prints silk road vol 3 matteo ricci vol 3
