presents the history of the native americans from earliest times through the arrival of the first europeans

covers the period of american history from 1945 to 1998 from the end of world war ii to the clinton administration

recommended by the common core state standards for english language arts and literacy as an exemplary informational text thousands of years way before christopher columbus set sail wandering tribes of hunters made their way from asia

across the bering land bridge to north america they didn't know it but they had discovered a new world the first americans is a fascinating re creation of pre columbian native american life and it's an adventure of a lifetime hunt seals with the inuit harvest corn on a cliff top mesa hunt the mighty buffalo and set sail with leif erickson columbus and all the early great explorers cabot balboa ponce de leon cortes henry the navigator and more in this brilliantly told story of america before it was america about the series master storyteller joy hakim has excited millions of young minds with the great drama of american history in her award winning series a history of us recommended by the common core state standards for english language arts and literacy as an exemplary informational text a history of us weaves together exciting stories that bring american history to life hailed by reviewers historians educators and parents for its exciting thought provoking narrative the books have been recognized as a break through tool in teaching history and critical reading skills to young people in ten books that span from prehistory to the 21st century young people will never think of american history as boring again

recommended by the common core state standards for english language arts and literacy as an exemplary informational text a history of us is a 10 volume award winning series about the birth and development of the united states as related by master storyteller joy hakim all the people the last volume in the series covers us history from the end of world war ii to the present this updated fourth edition covers for the first time events that have taken place in the past 6 years including the 2008 election of barack obama and the significance of this election all the people focuses on civil rights in the last half of the 20th century and the beginning of the 21st ensuring that readers will have a firm grasp of the groundbreaking nature and lasting importance of this movement throughout the book which has been completely redesigned with a bold new look hakim portrays contemporary american life in a lively engaging way readers will encounter fascinating stories about famous americans joe mccarthy martin luther king jr richard nixon historical events the vietnam war the first man on the moon and major cultural movements 1960s counterculture feminism interspersed features provide further anecdotes about the characters that have shaped the last 65 years for instance one conjectures about what alan greenspan might hide in his briefcase another discusses the life and times of mark i the world's first automatic computer sidebars illustrations definitions and quotes line the margins providing illimitable sources of information and entertainment about the series master storyteller joy hakim has excited millions of young minds with the great drama of american history in her award winning series a history of us recommended by the common core state standards for english language arts and literacy as an exemplary informational text a history of us weaves together exciting stories that bring american history to

life hailed by reviewers historians educators and parents for its exciting thought provoking narrative the books have been recognized as a break through tool in teaching history and critical reading skills to young people in ten books that span from prehistory to the 21st century young people will never think of american history as boring again

recommended by the common core state standards for english language arts and literacy as an exemplary informational text early nineteenth century america could just about be summed up by henry david thoreau s words when he said eastward i go only by force but westward i go free it was an exuberant time for the diverse citizens of the united states who included a range of folk from mountain men and railroad builders to whalers and farmers as they pushed forward into the open frontier and all their hopes and fears are captured in liberty for all in addition to colorful accounts of the massive westward migration the california gold rush a war with mexico the oregon boundary conflict texas and the alamo liberty for all takes a deep look at the issue that began to gnaw at the country s core how in the land where all men are created equal could there be slaves about the series master storyteller joy hakim has excited millions of young minds with the great drama of american history in her award winning series a history of us recommended by the common core state standards for english language arts and literacy as an exemplary informational text a history of us weaves together exciting stories that bring american history to life hailed by reviewers historians educators and parents for its exciting thought provoking narrative the books have been recognized as a break through tool in teaching history and critical reading skills to young people in ten books that span from prehistory to the 21st century young people will never think of american history as boring again

explores the history of freedom and the battle to uphold the freedom in america

designed to be used with from colonies to country authored by joy hakim and part of the series a history of us

a history of us is the story of the history of the united states written especially for all ages to enjoy from the hunting and fishing tribes that first crossed the bering strait to the civil rights movement and 20th century attempts to define america the 11 books in the series make history an exciting adventure story

how did compliant colonials with strong ties to europe get the notion to become an independent nation perhaps the seeds of liberty were planted in the 1735 historic courtroom battle for the freedom of the press or maybe the french and indian war did it when colonists were called americans for the first time by the english and the great english army proved itself not so formidable after all but for sure when king george iii started levying some heavy handed taxes on the colonies the break from the motherland was imminent with such enthralling characters as george washington sam adams patrick henry eliza pinckney and alexander hamilton throughout from colonies to country is an amazing story of a nation making transformation

this informative two volume set provides readers with an understanding of the fads and crazes that have taken america by storm from colonial times to the present entries cover a range of topics including food entertainment fashion music and language why could hula hoops and tv westerns only have been found in every household in the 1950s what murdered russian princess can be seen in one of the first documented selfies taken in 1914 this book answers those questions and more in its documentation of all of the most captivating trends that have defined american popular culture since before the country began entries are well researched and alphabetized by decade at the start of every section is an insightful historical overview of the decade and the set uniquely illustrates what today s readers have in common with the past it also contains a glossary of slang for each decade as well as a bibliography plus suggestions for further reading for each entry students and readers interested in history will enjoy discovering trends through the years in such areas as fashion movies music and sports

identifying thousands of historical fiction novels biographies history trade books cd roms and videotapes this book helps you locate resources on american history for students each book presents information in two sections in the first part titles are listed according to grade levels within eras and further organized according to product type the books cover american history from north america before 1600 and the american colonies 1600 1774 to the mid twentieth century 1946 1975 and since 1975 the second section has annotated bibliographies that describe each title and includes publication information and awards won the focus is on books published since 1990 and all have received at least one favorable review some books with more illustration than text will be valuable for enticing slow or reticent readers an index helps users find resources by author title or biographical subject

presents the history of america from the earliest times of the native americans to the clinton administration

recommended by the common core state standards for english language arts and literacy as an exemplary informational text covering a time of great hope and incredible change reconstruction and reform is a dramatic look at life after the civil war in the newly re united states railroad tycoons were roaring across the country new cities sprang up across the plains and a new and different american west came into being a land of farmers ranchers miners and city dwellers back east large scale immigration was also going on but not all americans wanted newcomers in the country technology moved forward thomas edison lit up the world with his electric light and social justice was on everyone s mind with carry nation wielding a hatchet in her battle against drunkenness and booker t washington and w e b dubois counseling newly freed african americans to behave in very different ways through it all the reunited nation struggles to keep the promises of freedom in this exciting chapter in the a history of us about the series master storyteller joy hakim has excited millions of young minds with the great drama of american history in her award winning series a history of us recommended by the common core state standards for english language arts and literacy as an exemplary informational text a history of us weaves together exciting stories that bring american history to life hailed by reviewers historians educators and parents for its exciting thought provoking narrative the books have been recognized as a break through tool in teaching history and critical reading skills to young people in ten books that span from prehistory to the 21st century young people will never think of american history as boring again

an eleven volume set about american history that attempts to make history fun for young readers

recommended by the common core state standards for english language arts and literacy as an exemplary informational text for the captains of industry men like andrew carnegie john d rockefeller j p morgan and henry ford the gilded age is a time of big money technology boomed with the invention of trains telephones electric lights harvesters vacuum cleaners and more but for millions of immigrant workers it is a time of big struggles with adults and children alike working 12 to 14 hours a day under extreme dangerous conditions the disparity between the rich and the poor was dismaying which prompted some people to action in an age of extremes you ll meet mother jones ida tarbell big bill haywood sam gompers and other movers and shakers and get swept up in the enthusiasm of teddy roosevelt you ll also watch the united states

take its greatest role on the world stage since the revolution as it enters the bloody battlefields of europe in world war i about the series master storyteller joy hakim has excited millions of young minds with the great drama of american history in her award winning series a history of us recommended by the common core state standards for english language arts and literacy as an exemplary informational text a history of us weaves together exciting stories that bring american history to life hailed by reviewers historians educators and parents for its exciting thought provoking narrative the books have been recognized as a break through tool in teaching history and critical reading skills to young people in ten books that span from prehistory to the 21st century young people will never think of american history as boring again

whether it s standing on the podium in seneca falls with the suffragettes or riding on the first subway car beneath new york city in 1907 the books in joy hakim s a history of us series weave together exciting stories that bring american history to life readers may want to start with war terrible war the tragic and bloody account of the civil war that has been hailed by critics as magnificent or all the people brought fully up to date in this new edition with a thoughtful and engaging examination of our world after september 11th no matter which book they read young people will never think of american history as boring again joy hakim s single clear voice offers continuity and narrative drama as she shares with a young audience her love of and fascination with the people of the past

designed to be used with war peace and all that jazz authored by joy hakim and part of the series a history of us

america s first soldiers unfolds with the critical events and people that lead massachusetts to initiate the american revolutionary war these first soldiers were the catalyst for the skirmish at lexington green the battle of the old north bridge and the life and death struggle along a 16 mile road passing through six massachusetts towns in a violent running battle of fire and maneuver dig in on the deadly struggle for a boston hilltop breed s hill known as bunker hill for the british army it was the deadliest battle of the american revolutionary war this battle more than any other event created the moment massachusetts and the other colonies realized the american revolution had begun meet a young boston bookseller who believed he could bomb the mighty british army out of boston he became washington s yankee standing with him from boston to victory at yorktown he was the man general washington personally chose to succeed him as the continental army s commanding general america s first soldiers is the account of extraordinary men whose defeat of the british was so

thorough that during the eight year struggle of the american revolutionary war the british never again fought in massachusetts part 1 of this book chronicles america s first soldiers part 2 visits some of the well preserved and fascinating sites in massachusetts as a 21st century historical tourist this book uncovers the hidden story of the men from massachusetts america s first soldiers

teacher s guide to accompany a history of us book 5 liberty for all the fifth in a set of 10
