how much money do you want to earn with sports betting but above all do you want to earn be right or have fun these are questions that i often ask my subscribers who often write to me during live signals and unfortunately from the answers of some of them i understand that many despite my strategies showing incredible profitability for some time are still unable to earn consistently and many of them will never earn for this reason i have decided to put on paper what and how i do to earn constantly from sports betting in this first volume i ll tell you how i started managing the budget and stakes rules that still today after two years continue to be the basis of my money management strategy if i managed to do it anyone could do it the problem is only one decide to do it if you too have decided to commit yourself to earning from my betting strategies you must read this book to the end and try for at least four weeks to apply my suggestions i m sure things will change like never before and your approach to betting will never be the same buy this book now with a little effort and discipline you can make your dream come true

the best betting strategy for those looking for adrenaline and high odds at the end of the book an exclusive selection of minor championships in which it is possible to collect odds of 3 00 4 00 in the first 45 minutes it alone is worth the ticket price sports betting is increasingly an investment channel so it is necessary to diversify strategies it is no coincidence that over the years i have written various publications for various investment needs from the most conservative to the most speculative the strategy i present in this publication is the most aggressive and is based on my over 0 5 operating strategy which you can find in my best seller betting football soccer over 0 5 complete guide to the one goal pay strategy the difference the subtitle says it password high bet odds operating at high odds is the key to excellent profit and more balanced money management in this book i will tell you how to operate with the over 0 5 strategy at odds not lower than 1 72 1 80 with the lowest possible risk margin if you too want to find out how to take advantage of this strategy if you want to become profitable over time if you re going to understand how this strategy can help you in your money management buy this book now if your betting idea is mostly speculative alternatively look for my other titles to find different more conservative and long term strategies get on board and start planning your investment strategy living off betting is possible with the proper discipline and strategy

what if you backed man city at home in every game would you make a profit what if you backed the draw in every premier league game last season what if you backed over 2 5 goals in games with teams that have a high goal average the answers to your questions are just a few clicks away big data analysis is now freely available to the ordinary punter thanks to betaminic and its revolutionary betamin builder tool over 100 000 matches since

march 2012 in 54 leagues have you ever wondered how some professional gamblers make their strategies are you tired of making your own excel databases in the search for a winning system this book is a step by step guide to using the betamin builder data analysis tool for creating soccer betting systems to beat the bookies including 21 winning strategies in the colossus21 system includes betaminic user guide 9 public strategies combined in the betaminic super9 system averaged 349 points profit per year since 2012 21 strategies combined in the colossus21 system averaged 1 049 points profit per year in the past 6 years betting bank stake size and staking plan analysis example start up plans troubleshooting guide to help you stay on target all 30 strategies are analysed in depth with factsheets that show the premise of each strategy profit yield losing streaks bet number average odds strike rate and maximum drawdown each four page factsheet is an easy at a glance way to see a breakdown of profit by year and month this includes information not shown on the betaminic website the percentage of winning months longest winning and losing runs in months average monthly and yearly profit profit range per year and per month average number of bets per year and per month see my website for a free example factsheet the address is on the back cover if you are not using betaminic this book will introduce you to a new world of winning football betting strategies if you are already using betaminic this guide book will help you get the most out of it and put you on the path to even greater profits betaminic is a powerful tool for finding strategies that make consistent profit over the long term you can find them yourself by researching your ideas and gut feelings about football this does however take time and that is why i present here twenty one working strategies that you can use as they are or adapt according to your own ideas all of the data in the factsheets is useful to get a feel for a strategy we want to know how profitable it is what kind of risk we need to be prepared for and how many picks we can expect each month also we want to know the bad streaks when they happened how bad they were how volatile each strategy is we can get this information by using the tools in the betamin builder but with this book you can have them all in one easy to view standardized format so that you can refer back to them easily at a glance to compare current performance to past results and make sure you are on the right path to profit the key thing we will see from all of these strategies is that they all made profit over the long term and also that they all had losing months sometimes multiple losing months in a row we will see that some strategies have a great yield but few picks each month while others with lower yields generate more profit faster through a higher volume of bets each month the colossus21 which is a combination of all the strategies will show that by not putting all your eggs in one basket and spreading the risk across as many strategies as possible you could have achieved profit almost every month 70 out of 72 months ended in profit from march 2012 to february 2018 while past
